

As a healthcare provider  
I have been working  
with older Americans  
for 40 yrs. That is why  
I am writing for your  
support of the Dept of  
Labor's conflict of interest  
rule and oppose any  
further delay! The  
DOL should conclude the  
proposed delay is unjustified  
and the rule should be  
implemented on 10/1/10
