Subject: Fuduciary Rule

Dear Secretary Acosta:

I received notice that my IRA was set to "Grandfather". In the simplest of terms what this means to me: reduced investment choice going forward; reduced investment options; increased cost and investment restrictions.

Further this rule limits my children and grandchildren's opportunity to invest freely at a reasonable cost.

We have a battery of rules that exist today to provide a framework to "protect" me. Enforce the existing rules. Don't eliminate my right to choice.

Please move now to eliminate the hurtful fiduciary rule.

Let me know if I can be of any assistance.
