Subject: RIN 1210-AB82 Protect retirees: Fully implement and enforce the fiduciary rule
Date: Saturday, July 15, 2017 10:58:39 AM

Employee Benefits Security Administration U.S. Department of Labor,

This rule should not only be retained. There should also be criminal penalties. This should be a felony. Financial advisors that provide recommendations that benefit themselves rather than their clients should go to jail.
