Subject: RIN 1210-AB82 Protect retirees: Fully implement and enforce the fiduciary rule
Date: Friday, July 21, 2017 12:28:20 AM

Department of Labor,

I depend on experts to guide my investments. I need assurance that the person is working on my behalf, not placing their own interests first. The fiduciary issue is of prime importance to me and the rule should be implemented ASAP.
