Dear U.S. Department of Labor,

I worked full time from 1953 to 2011. I saved as much as possible to be able to support myself. Now, I understand that the Wagner bill is being considered in Congress to undermine a protection that was put in place to protect me and my peers from over charging by financial agents. This is so unfair. It is just plain wrong. Please vote to oppose this Wagner bill.

I'm counting on you to protect my financial needs as well as that of your other constituents in similar circumstances.

Sincerely,
Ms. Marguerite Casey
