Dear U.S. Department of Labor,

As your constituent and an AARP member, I'm urging you to oppose any efforts to reopen the retirement advice conflict of interest loophole.

I started saving for retirement when I had my first job at 22 y.o. Now I'm an AARP member. This conflict of interest rule is very important to me. I don't like getting ripped off.

I'm counting on you to oppose any efforts to reopen the loophole.

Sincerely,
Ms. Catherine Egelhoff
