Dear U.S. Department of Labor,

Dear Congressperson and Senators:

I think I can count on my representatives to hold our constitutional rights dear and protect the hard-earned dollars we have invested into the SS Act. For this I am grateful. Our trust is in you, but I know you have a long, uphill battle.

We are on your side and doing what we can - which may not be enough, but hope never dies - and our blessings that your strength will hold up in the face of such adversity.

Your loyal constituent truly appreciates your work - as I am sure many of us do!

Sincerely,
Ms. Martha Clare Buckley
