To: R. Alexander Acosta (Dept of Labor)

Rid us of this onerous "Fiduciary Rule."

(A)

WHY would you tweak  
a small part of this  
bureaucratically enacted  
dictate ???

IF an arm has serious  
gangrene, you don't  
cut off the pinky finger,  
you excise "All of  
the infection" -  
Cut off the entire Fiduciary  
Rule!

(B) Article Next page

THIS Rule is designed  
to increase the pay  
of Wall Street Executives,  
who in turn send  
more \$s to the  
Democratic Party!
