USDA Rural Development
September 10, 2018**

State	Sen.	Rep.	Recipient	Grants	Loans	Project Description
AR	Tom Cotton, John Boozman	Rick Crawford (01)	White River Women's Shelter Inc.	\$150,000		This Rural Development investment will be used to convert a former jail into a women's shelter. Shelter staff will provide prevention, recovery and treatment services to combat the opioid epidemic in the area. The shelter will also provide educational and job training services, along with recovery, social support and substance abuse counseling. The shelter will serve 8,000 county residents.
AZ	Jeff Flake	Raul Grijalva (03)	Regional Center for Border Health	\$84,000	\$560,000	This Rural Development investment will be used to purchase six USDA single family houses for the "Operation TLC," Transitional Living Care program. This program provides temporary housing for those recovering from opioid misuse. Transitional housing will be provided for residents of Yuma County. More than 41,700 residents live in the county. About two dozen clients a year will receive housing.
CA	Dianne Feinstein, Kamala Harris	Doug LaMalfa (01)	Boys and Girls Club of the North Valley	\$10,147		This Rural Development investment will be used to purchase equipment to launch and operate an opioid prevention program at a local Boys and Girls Club. The club will purchase tables, chairs and other equipment to implement the program.
CA	Dianne Feinstein, Kamala Harris	Juan Vargas (51)	City of Calipatria	\$44,000		This Rural Development investment will be used to purchase two police vehicles to reduce response times to opioid emergency calls. The new vehicles will serve 7,700 residents.
CA	Dianne Feinstein, Kamala Harris	David Valadao (21)	City of Mendota	\$71,420		This Rural Development investment will be used to purchase three police vehicles to reduce response times for drug- and opioid misuse-related calls. The vehicles will serve more than 11,000 residents.
CA	Dianne Feinstein, Kamala Harris	Devin Nunes (22)	City of Woodlake	\$40,600		This Rural Development investment will be used to purchase a vehicle to be used as a K-9 unit. The K-9 unit focuses on both prevention and response to illegal drug- and opioid misuse-related actions. It will provide service to a community of 7,300.
CA	Dianne Feinstein, Kamala Harris	Jared Huffman (02)	City of Crescent City	\$64,500		This Rural Development investment will be used to purchase 30 portable radios and 10 mobile radios to allow emergency personnel to communicate directly across department lines when responding to opioid misuse emergencies. The equipment will serve a population of 7,300.
CA	Dianne Feinstein, Kamala Harris	Tom McClintock (04)	City of Sonora	\$105,100		This Rural Development investment will be used to purchase two police vehicles to provide emergency response, transport and public safety services. The police department has experienced a dramatic increase in call volume because of increased homelessness and opioid misuse in the area. The vehicles will serve 5,000 residents.
CA	Dianne Feinstein, Kamala Harris	Jared Huffman (02)	Fortuna Fire Protection District	\$13,390		This Rural Development investment will be used to purchase 55 pagers to notify first-responder personnel of emergencies, including reports of opioid misuse.
CA	Dianne Feinstein, Kamala Harris	Juan Vargas (51)	Imperial County	\$44,800		This Rural Development investment will be used to purchase defibrillators, life support storage bags and pharmaceutical dispensers for prescription medications to treat opioid-related incidents and overdoses. The equipment will serve a population of 25,000 spread over 4,600 square miles.

Community Facilities Direct Loans and Grants
USDA Rural Development
September 10, 2018

State	Sen.	Rep.	Recipient	Grants	Loans	Project Description
CA	Dianne Feinstein, Kamala Harris	Juan Vargas (51)	Imperial Valley Telecommunications Authority	\$112,500		This Rural Development investment will be used to purchase an antenna in Westmoreland that will link to a secure network that allows responders to access patient information, medical history or medical records instantly. The network will improve access to services for the treatment of and recovery from opioid misuse. In addition, the antenna will allow the local school district to provide online educational materials to students.
CA	Dianne Feinstein, Kamala Harris	Juan Vargas (51)	Imperial Valley Telecommunications Authority	\$112,500		This Rural Development investment will be used to purchase an antenna in Seeley, which will link to a network to support first responders dealing with opioid-related calls. It will allow responders to instantly access patient information, medical history or medical records over a secure link. In addition, the school district will use the system to provide online educational materials to students.
CA	Dianne Feinstein, Kamala Harris	Juan Vargas (51)	Imperial Valley Telecommunications Authority	\$112,500		This Rural Development investment will be used to purchase an antenna in Niland, which will link to a secure network to support first responders dealing with opioid-related calls. In addition, the school district will be able to provide online educational materials to students.
CA	Dianne Feinstein, Kamala Harris	Juan Vargas (51)	Imperial Valley Telecommunications Authority	\$112,500		This Rural Development investment will be used to purchase an antenna in Herber, which will link to a secure network and will provide support to first responders dealing with opioid-related calls. The network will also improve the ability of the school district to provide online educational materials to students.
CA	Dianne Feinstein, Kamala Harris	Juan Vargas (51)	Imperial Valley Telecommunications Authority	\$112,500		This Rural Development investment will be used to purchase an antenna in Ocotillo, which will connect to a secure network to support first responders to opioid-related calls. In addition, the network will enable the school district to provide online educational materials to students.
CA	Dianne Feinstein, Kamala Harris	Juan Vargas (51)	Imperial Valley Telecommunications Authority	\$82,500		This Rural Development investment will be used to purchase an antenna in El Centro, which will link to a secure network to support first responders to opioid-related calls. It will also allow responders to instantly access patient information, medical history or medical records. In addition, the local school district will be able to provide online educational materials to students.
CA	Dianne Feinstein, Kamala Harris	Juan Vargas (51)	Imperial Valley Telecommunications Authority	\$82,500		This Rural Development investment will be used to purchase an antenna in Holtville to link to a network to support first responders dealing with opioid-related calls. It will allow responders to instantly access patient information, medical history or medical records. Also, the network will enhance the school district's ability to provide online educational materials to students.
CA	Dianne Feinstein, Kamala Harris	Juan Vargas (51)	Imperial Valley Telecommunications Authority	\$112,500		This Rural Development investment will be used to purchase an antenna in Winterhaven, which will link to a secure network to support first responders to opioid-related calls. It will allow responders to instantly access patient information, medical history or medical records. In addition, the network will allow the school district to provide online educational materials to students.
CA	Dianne Feinstein, Kamala Harris	Jared Huffman (02)	Trinity County Life Support	\$84,600		This Rural Development investment will be used to purchase an ambulance for the Hayfork station. The new ambulance has enhanced safety features, greater reliability and is less expensive to operate and maintain. It will respond to a growing number of opioid-related calls.
CA	Dianne Feinstein, Kamala Harris	Jared Huffman (02)	Wild Souls Ranch	\$30,800		This Rural Development investment will be used to purchase equipment for the Equine Assisted Growth and Learning Program. The program provides support for 22 youth with physical and mental health challenges, including substance misuse issues. Additional funding includes \$18,500 from private donations and a \$6,741 applicant contribution.

**Community Facilities Direct Loans and Grants
USDA Rural Development
September 10, 2018**

State	Sen.	Rep.	Recipient	Grants	Loans	Project Description
CA	Dianne Feinstein, Kamala Harris	Doug LaMalfa (01)	Eastern Plumas Health Care District	\$145,000		This Rural Development investment will be used to purchase an ambulance and related equipment to provide reliable emergency services and address the opioid crisis in Plumas County. From 2009-2013, Plumas County led the state in opioid-related overdose deaths. In 2017, it had the highest reported per capita rate of opioid prescriptions in the state.
IA	Chuck Grassley, Joni Ernst	David Young (03)	Cass County	\$17,500		This Rural Development investment will be used to purchase a police vehicle with equipment for a K-9 officer. The K-9 vehicle will be used to deter the sale and misuse of illegal drugs including opioids, and as a response vehicle on the scene of mental health or misuse situations. The K-9 vehicle will serve a population of 14,000.
IA	Chuck Grassley, Joni Ernst	David Loebsack (02)	City of Albia	\$29,200		This Rural Development investment will be used to purchase a police vehicle. The new vehicle will be used to combat the opioid epidemic, for both prevention and response to illegal drug-related actions in a community of 3,800.
IA	Chuck Grassley, Joni Ernst	David Loebsack (02)	Lucas County Health Center	\$150,000		This Rural Development investment will be used to purchase an ambulance and related equipment for a hospital. The ambulance will be equipped with advanced life support supplies and equipment to assist in combating opioid misuse and drug overdoses. It will serve almost 8,900 Lucas County residents.
IA	Chuck Grassley, Joni Ernst	David Loebsack (02)	Monroe County Hospital	\$123,700		This Rural Development investment will be used to purchase an ambulance for the local hospital. It will be equipped with advanced life support supplies and equipment to assist with all emergencies, including opioid misuse. The ambulance will serve 7,800 residents of Monroe County.
IA	Chuck Grassley, Joni Ernst	Steve King (04)	United Community Health Center Inc.	\$150,000		This Rural Development investment will be used to buy equipment for an expanded medical clinic in the community of Storm Lake. The facility will include expanded behavioral health services, including diagnosis and treatment of substance misuse, including opioids. This project will provide improved service to about 10,600 residents. Additional funding includes a \$1,877,400 previously approved Rural Development direct loan and a \$600,000 Community Development Block Grant through the U.S. Department of Housing and Urban Development.
IA	Chuck Grassley, Joni Ernst	David Loebsack (02)	Wayne County Hospital	\$150,000		This Rural Development investment will allow Wayne County Hospital to buy an ambulance equipped with paramedic-level service and security features, specifically for opioid treatment. An estimated 1,585 residents will benefit. Additional funding includes a \$58,617 applicant contribution and \$10,950 in public and private donations.
IA	Chuck Grassley, Joni Ernst	Steve King (04)	City of Pisgah	\$41,000		This Rural Development investment will be used to purchase a used ambulance for the volunteer fire department and first responders. The ambulance is equipped with medical supplies, including reversal medication for opioid misuse incidents. About 250 residents will be served.
IL	Richard Durbin, Tammy Duckworth	Rodney Davis (13)	Jersey Community Hospital District	\$150,000		This Rural Development investment will be used to purchase and renovate a building that will be used to house a rural health clinic in the community of Roodhouse. Facility staff will provide treatment, counseling, education and outreach efforts to combat the opioid crisis. This project will benefit the area's 4,300 residents.
IL	Richard Durbin, Tammy Duckworth	Rodney Davis (13)	Jersey Community Hospital District	\$150,000		This Rural Development investment will be used to purchase and renovate a facility in Jerseyville to serve as an Opioid Treatment Program (OTP) Specialty Care and Administrative building. The facility will provide treatment, counseling, education and outreach to combat the opioid crisis.
KY	Mitch McConnell, Rand Paul	Brett Guthrie (02)	City of Springfield	\$150,000	\$291,500	This Rural Development investment will be used to buy a pumper fire truck and first responder equipment to improve service to a community of about 2,500. The truck will contain medical equipment to be used to help prevent deaths from opioid misuse.

**Community Facilities Direct Loans and Grants
USDA Rural Development
September 10, 2018**

State	Sen.	Rep.	Recipient	Grants	Loans	Project Description
KY	Mitch McConnell, Rand Paul	James Comer (01)	City of Scottsville	\$30,100		This Rural Development investment will be used to purchase a police utility vehicle, safety equipment, and K-9 transport equipment to better serve a community of 4,200. The unit will respond to drug enforcement cases and opioid misuse incidents.
KY	Mitch McConnell, Rand Paul	James Comer (01)	Foothills Academy	\$89,700		This Rural Development investment will be used to purchase two trucks and welding equipment. The equipment will be used to provide instruction and create job opportunities for troubled youth under age 18. Many of the youth are impacted by the opioid epidemic.
KY	Mitch McConnell, Rand Paul	Brett Guthrie (02)	Isaiah House Inc.	\$150,000	\$452,000	This Rural Development investment will be used to purchase equipment, assets and the remaining inventory of a local metal business. Isaiah House is a residential treatment facility in Washington County that provides long-term drug/opioid and alcohol misuse recovery services. The metal equipment will be used to train residents to prepare them to enter the workforce after treatment.
KY	Mitch McConnell, Rand Paul	Thomas Massie (04)	Lewis County Fiscal Court	\$26,600		This Rural Development investment will be used to purchase two vehicles for the sheriff's department, improving service to 13,870 residents. The vehicles will be used to conduct surveillance related to illegal drug activity, and improve the response to drug misuse reports.
KY	Mitch McConnell, Rand Paul	Harold Rogers (05)	Magoffin County Taxing District	\$72,170		This Rural Development investment will be used to purchase a mobile health clinic for the Magoffin County Health Department. The mobile clinic will provide improved opioid treatment, including counseling and screenings. It will also provide educational outreach to local schools.
KY	Mitch McConnell, Rand Paul	Andy Barr (06)	Pathways Inc.	\$31,160		This Rural Development investment will be used to buy three vehicles and related equipment for the Pathways Outpatient Center in Mt. Sterling. The addiction services department will use the equipment and supplies to provide individual, family and group counseling to individuals recovering from substance misuse.
KY	Mitch McConnell, Rand Paul	Harold Rogers (05)	Pathways Inc.	\$37,990		This Rural Development investment will be used to purchase two vehicles and equipment for the Pathways Outpatient Center in Sandy Hook. The addiction services department will use the equipment and supplies to provide individual, family and group counseling to individuals recovering from substance misuse.
KY	Mitch McConnell, Rand Paul	Harold Rogers (05)	Pathways Inc.	\$77,400		This Rural Development investment will be used to purchase five vehicles and equipment for the Morehead Inspiration Center. The addiction services department will use the equipment and related supplies to provide residential recovery services for about 100 men.
KY	Mitch McConnell, Rand Paul	Harold Rogers (05)	Pathways Inc.	\$44,570		This Rural Development investment will be used to purchase two vehicles and related equipment for the Genesis Recovery Kentucky Center in Grayson. The center provides substance recovery services to up to 100 men.
KY	Mitch McConnell, Rand Paul	Harold Rogers (05)	Pathways Inc.	\$39,900		This Rural Development investment will be used to purchase two vehicles and related equipment for the Pathways Outpatient Center in Louisa. The addiction services department will use the equipment and supplies to provide individual, family and group counseling for those recovering from substance misuse.
KY	Mitch McConnell, Rand Paul	Harold Rogers (05)	Westcare Kentucky Inc.	\$82,500		This Rural Development investment will be used to purchase equipment, beds and a vehicle for the Judi Patton Center for Families in Elkhorn City. The center provides services to women recovering from substance abuse, and offers therapeutic child care.

Community Facilities Direct Loans and Grants
USDA Rural Development
September 10, 2018

State	Sen.	Rep.	Recipient	Grants	Loans	Project Description
MD	Benjamin Cardin, Chris Van Hollen	John Delaney (06)	Town Council of Oakland	\$40,700		This Rural Development investment will be used to purchase a police vehicle. The vehicle will be outfitted with equipment and technology to help officers who respond to opioid misuse incidents in a community of more than 1,900.
ME	Susan Collins, Angus King	Bruce Poliquin (02)	Three Rivers Ambulance Service	\$129,000		This Rural Development investment will be used to purchase an ambulance and equipment to provide advanced emergency services to opioid and substance misuse patients. It will serve a population of about 5,000.
MI	Debbie Stabenow, Gary Peters	Jack Bergman (01)	Burt Township	\$121,129	\$35,000	This Rural Development investment will be used to purchase an ambulance, which will be used to respond to emergencies, including opioid misuse incidents. It will serve more than 500 residents.
MI	Debbie Stabenow, Gary Peters	Jack Bergman (01)	City of Manistique	\$47,000		This Rural Development investment will be used to purchase three cardiac monitor-defibrillators to be installed in community ambulances. The new equipment will improve the response to opioid misuse incidents in a community of nearly 3,100.
MI	Debbie Stabenow, Gary Peters	Jack Bergman (01)	City of Sault Ste Marie	\$80,850		This Rural Development investment will be used by the city of Sault Ste Marie for the purchase of an ambulance. The ambulance will improve emergency responses to opioid misuse incidents in Chippewa County and in the eastern end of the Upper Peninsula.
MI	Debbie Stabenow, Gary Peters	John Moolenaar (04)	Missaukee County	\$150,000		This Rural Development investment will be used to improve the emergency dispatch system in Missaukee County. The system will enhance communications to help combat the opioid crisis in the region. The project will serve more than 14,800 residents.
MI	Debbie Stabenow, Gary Peters	Paul Mitchell (10)	Sanilac County	\$30,146		This Rural Development investment will be used to purchase computer equipment and a vehicle for Sanilac County Counseling Services. Staff will use the equipment to provide opioid and substance misuse treatment and education throughout the county, and improve service to a population of 2,700.
MN	Amy Klobuchar, Tina Smith	Collin Peterson (07)	Clear Waters Life Center	\$25,100		This Rural Development investment will be used to upgrade the lighting and heating system at the Clear Waters Life Center, which provides assistance to 2,200 local residents. The center provides a treatment program for individuals dealing with misuse of opioids, other drugs and alcohol. Additional funding includes \$8,488 in private donations.
MO	Claire McCaskill, Roy Blunt	Jason T. Smith (08)	Big Springs Medical Association	\$59,400	\$48,600	This Rural Development investment will be used to buy three cars and one van to be used by the Urgent Care Opioid Medical team to serve opioid misuse patients in a seven-county area. More than 100,000 county residents will be served.
MO	Claire McCaskill, Roy Blunt	Jason T. Smith (08)	Great Mines Health Center	\$150,000		This Rural Development investment will be used to purchase equipment and furniture for an outpatient substance and alcohol misuse treatment and recovery center in Washington County. The county has a population of more than 25,000.
MO	Claire McCaskill, Roy Blunt	Sam Graves (06)	Queen City Housing Association	\$3,750		This Rural Development investment will be used to purchase locking medicine cabinets to be installed in a multi-family housing complex. This will help the tenants prevent their opioid prescription drugs from being misused by others.
MO	Claire McCaskill, Roy Blunt	Jason Smith (08)	West Carter County Ambulance Association	\$72,000		This Rural Development investment will be used to purchase an ambulance to serve western Carter County. It will shorten the transport time to the hospital and help reduce death rates associated with opioid misuse. The ambulance will serve 2,900 permanent residents and thousands of national forest visitors.
NE	Ben Sasse, Deb Fischer	Adrian Smith (03)	Hope Crisis Center	\$83,800		This Rural Development investment will be used to buy and renovate an office building. Counseling rooms, interview rooms and a storage area will be added to provide education to victims of domestic violence, often caused by opioid abuse. Other funding includes a \$507,000 USDA Rural Development loan and a \$5,000 applicant contribution.

**Community Facilities Direct Loans and Grants
USDA Rural Development
September 10, 2018**

State	Sen.	Rep.	Recipient	Grants	Loans	Project Description
NE	Ben Sasse, Deb Fischer	Adrian Smith (03)	Village of Harrison	\$31,800		This Rural Development investment will be used to buy an electric cot for the rescue unit's ambulance. The new cot will help rescue personnel transport patients suffering from substance overdose, and physical or mental health emergencies. In addition to serving Harrison's 250 residents, the rescue unit will serve the surrounding rural area.
NH	Maggie Hassan, Jeanne Shaheen	Carol Shea-Porter (01)	Mount Washington Valley Support Recovery Coalition	\$5,000		This Rural Development investment will be used to buy equipment and furnishings for the Mount Washington Valley Supports Recovery Coalition. The facility offers drug treatment and recovery support.
NH	Maggie Hassan, Jeanne Shaheen	Ann Kuster (02)	Pemi Youth Center-Franklin	\$35,000		This Rural Development investment will be used to renovate a building for use as a teen center in Franklin. Renovations will provide space for activities, a study area, a counseling center and a kitchen for preparing after-school snacks. Additional funding includes \$11,200 from the New Hampshire Department of Education, a \$5,000 Home Depot grant, a \$12,995 applicant contribution, and \$35,805 from private donations.
NH	Maggie Hassan, Jeanne Shaheen	Ann Kuster (02)	Town of Newport	\$11,500		This Rural Development investment will be used to purchase a power lift stretcher for the fire and emergency medical services department. The stretcher will reduce ambulance response times to reports of opioid misuse in the community.
NH	Maggie Hassan, Jeanne Shaheen	Carol Shea-Porter (01)	White Horse Addition Center Inc.	\$11,200		This Rural Development investment will be used to purchase equipment and furniture for the White Horse Addiction Center, Inc. The equipment includes a security camera system as well as educational and office equipment that will be used to facilitate substance misuse treatment and recovery programs in two communities with a population of 6,700.
NJ	Cory Booker, Robert Menendez	Frank LoBiondo (02)	Hansen Foundation	\$134,000		This Rural Development investment will be used to purchase a mobile outreach unit to provide drug misuse treatment and recovery support throughout Atlantic County. It will serve 2,260 residents.
OK	James Inhofe, James Lankford	Markwayne Mullen (02)	Zoe Institute	\$150,000		This Rural Development investment will be used to convert a former hotel and a convalescent home into transitional housing to aid homeless individuals recovering from opioid misuse.
PA	Robert Casey, Patrick Toomey	Lloyd Smucker (16)	Community Life Network of Columbia	\$106,600	\$201,900	This Rural Development investment will be used to purchase a facility to continue to provide opioid misuse treatment, prevention and recovery. The facility an are with a population of more than 10,000.
PA	Robert Casey, Patrick Toomey	Tom Marino (10)	Harbor Counseling	\$70,200	\$130,600	This Rural Development investment will be used to buy an additional facility for Harbor Counseling. It will be used for transitional housing for clients receiving treatment. Harbor Counseling is a non-profit agency that provides treatment and prevention programs for adolescents and adults with problems related to alcohol or other drug misuse.
PA	Robert Casey, Patrick Toomey	Tom Marino (10)	Juniata County	\$5,900		This Rural Development investment will fund the purchase of a vehicle to collect and dispose of opioid medications in a county of 24,600.
PA	Robert Casey, Patrick Toomey	Tom Marino (10)	Mifflin County	\$52,200		This Rural Development investment will be used to purchase a walk-through body scanner. It will be used at the corrections center to find contraband, including opioids and other illegal substances. Additional funding is from a \$20,000 County Commissioners Association of Pennsylvania Loss Prevention grant; a \$7,298 County Commissioners Association of Pennsylvania Safety Improvement grant, and a \$15,502 applicant contribution.

**Community Facilities Direct Loans and Grants
USDA Rural Development
September 10, 2018**

State	Sen.	Rep.	Recipient	Grants	Loans	Project Description
PA	Robert Casey, Patrick Toomey	Scott Perry (04), Bill Schuster (09)	TrueNorth Wellness Services	\$73,400	\$332,000	This Rural Development investment will be used to buy a facility to provide behavioral and mental health services to the residents of Fulton County. This project will bring behavioral, mental, health care and substance misuse services to the 1,220 residents of McConnellsburg.
PA	Robert Casey, Patrick Toomey	Glenn Thompson (05)	Warren County	\$150,000	\$1,725,500	This Rural Development investment will be used buy equipment that links to the Pennsylvania state radio system. The communications system will improve response efficiency and provide field units the ability to advise law enforcement of observed drug-related activity.
SC	Lindsey Graham, Tim Scott	James Clyburn (06)	Williamsburg County	\$150,000		This Rural Development investment will be used to buy communications equipment for the Lighthouse Counseling and Rehabilitation Facility located in Hemingway. The equipment will allow the county to address the impacts of opioid misuse. Additional funding includes \$250,000 from the South Carolina Department of Alcohol & Other Drug Abuse, a \$50,000 Rural Development Community Facilities grant and a \$108,285 applicant contribution.
SC	Lindsey Graham, Tim Scott	James Clyburn (06)	Williamsburg County	\$53,300		This Rural Development investment will be used to purchase equipment for the Kingstree Alcohol and Drug Abuse Project. The county will buy opioid prescription drop-off boxes and drug disposal pouches, install telecommunications for a broadband health care network, and obtain furnishings.
TN	Lamar Alexander, Bob Corker	John Duncan, Jr. (02)	Dayspring Family Health Center Inc.	\$53,300		This Rural Development investment will be used to purchase a medical device that assists in the treatment of patients who have developed Hepatitis C or liver damage due to substance misuse, including opioids. The facility where the equipment will be housed provides services to nearly 2,400 area residents.
TN	Lamar Alexander, Bob Corker	Diane Black (06)	HOPE Family Health Services	\$150,000		This Rural Development investment will be used to buy a facility and equipment to combat opioid misuse. Vehicles, computers and tele-health equipment will be purchased to allow the grantee to provide care to individuals who misuse opioids or have other health concerns. The recipient serves a community of about 2,200 residents.
TN	Lamar Alexander, Bob Corker	Phil Roe (01)	Johnson County Tennessee	\$150,000		This Rural Development investment will be used to establish a diesel mechanics program at the local vocational school. The program will assist those affected by the opioid crisis by providing skills training. Additional funding includes a \$250,000 Appalachian Regional Commission Grant and a \$163,000 applicant contribution.
TN	Lamar Alexander, Bob Corker	Diane Black (06)	Overton County	\$41,500		This Rural Development investment will be used to buy an ambulance and transport ventilators to provide advanced emergency care to opioid and substance misuse patients, as well as to other individuals needing treatment. The equipment will serve 4,100 residents.
TN	Lamar Alexander, Bob Corker	Phil Roe (01)	Rural Health Services Consortium Inc.	\$150,000		This Rural Development investment will be used to purchase telecommunications equipment to improve treatment and recovery for individuals who misuse opioids in five counties.
TN	Lamar Alexander, Bob Corker	Phil Roe (01)	Rural Medical Services Inc.	\$98,500		This Rural Development investment will be used to purchase vans and ultrasound equipment for two clinics. The equipment will serve opioid misusers who become pregnant. Staff will also use the vans to offer in-home visits and conduct outreach education and clinics for farmworkers. The equipment will serve 4,500 residents.
UT	Orrin Hatch, Mike Lee	John Curtis (03)	Four Corners Community Behavioral Health Inc.	\$46,300		This Rural Development investment will be used to purchase three vehicles to transport rural patients to treatment facilities in three counties. This part of Utah is considered among the highest risk for opioid-related deaths.

Community Facilities Direct Loans and Grants
USDA Rural Development
September 10, 2018

State	Sen.	Rep.	Recipient	Grants	Loans	Project Description
UT	Orrin Hatch, Mike Lee	John Curtis (03)	Four Corners Community Behavioral Health Inc.	\$150,000		This Rural Development investment will be used to buy and furnish a detox and sober living facility in Price. The multi-unit facility will offer tenants recovery-oriented services. In addition to drug rehabilitation, tenants may also receive access to employment opportunities, education, mental and physical health care and legal assistance.
UT	Orrin Hatch, Mike Lee	Chris Stewart (02)	Sevier County	\$80,500		This Rural Development investment will be used to buy an ambulance equipped to respond to opioid misuse incidents. The ambulance will be stocked with treatment medications, monitoring equipment and airway management supplies. The funds will also supply opioid testing equipment and treatment medication.
VA	Mark Warner, Tim Kaine	Morgan Griffith (09)	Cumberland Mountain Community Services Board	\$45,000		This Rural Development investment will be used to purchase two point-of-care carts and two computer systems for opioid treatment for the Laurels Recovery Center. Funds will also be used to buy two computers for use by patients receiving opioid treatment.
VT	Patrick Leahy, Bernard Sanders	Peter Welch (At Large)	Groundworks Collaborative Inc.	\$6,400		This Rural Development investment will be used to purchase a vehicle to transport clients to drug abuse recovery and treatment facilities.
VT	Patrick Leahy, Bernard Sanders	Peter Welch (At Large)	Recovery House Inc.	\$90,700		This Rural Development investment will be used to purchase equipment for a pair of facilities that provide shelter and treatment to those who misuse opioids and other controlled substances. The equipment also includes a heating system to reduce operational costs. Funding will also be used to add security cameras and power generators.
VT	Patrick Leahy, Bernard Sanders	Peter Welch (At Large)	Town of St. Johnsbury	\$82,400		This Rural Development investment will be used to purchase two new vehicles and equipment for the police department. Service will be upgraded for a population of 7,600. The equipment includes body cameras with supportive equipment.
VT	Patrick Leahy, Bernard Sanders	Peter Welch (At Large)	Vermont C.A.R.E.S.	\$24,700		The Rural Development investment will be used to buy a van and equipment for Vermont Committee for A.I.D.S. Resources, Education and Services (VT CARES). The van will be used for the mobile harm reduction program for injection drug misusers. The equipment to be purchased includes a shelter, tablets for staff and related software to serve a community of 7,603. Additional funding includes a \$10,000 grant from Fix It With Five and a \$10,361 Vermont Department of Health grant.
WI	Ron Johnson, Tammy Baldwin	Mike Gallagher (08)	Menominee County	\$150,000		This Rural Development investment will be used to create a mobile crisis facility that will help combat opioid misuse. The Menominee County Human Services Department will upgrade a building into a facility to serve as a "safe place" and a base location for a mobile crisis team. It will also be used for community support meetings and to provide office hours for weekly and after-hours counseling sessions. It will have space for intake assessments and to stabilize people seeking treatment for opioid misuse. This project will serve Neopit's 690 residents.
TOTAL				\$6,874,122	\$3,777,100
