“(II) EMERGENCY SHORTFALL STATE DEFINED.—For purposes of this clause, the term ‘emergency shortfall State’ means, with respect to a month beginning during the period beginning October 1, 2017, and ending March 31, 2018, a shortfall State for which the Secretary estimates, in accordance with subparagraph (A) (unless otherwise specified in this subclause) and on a monthly basis using the most recent data available to the Secretary as of such month, that the projected expenditures under the State child health plan and under section 2105(g) (calculated as if the reference under

“(IV) PRORATION RULE.—If the amounts available for redistribution under paragraph (1) for a month during the period described in subclause (I) are less than the total amounts of the estimated shortfalls determined for the month for emergency shortfall States described in subclause (II), the amount computed under subclause (I) for each emergency shortfall State shall be reduced proportionally.

“(V) UNOBLIGATED REDISTRIBUTED FUNDS.—The Secretary shall withhold any funds redistributed under paragraph (1) for fiscal year 2018 before January 1, 2018, but which have not been obligated for amounts expended by a State as of that date, and shall redistribute such funds in accordance with the preceding subclauses of this clause.”

42 USC 1397dd
