

**INTEGRITY AGREEMENT
BETWEEN THE
OFFICE OF INSPECTOR GENERAL
OF THE
DEPARTMENT OF HEALTH AND HUMAN SERVICES
AND
MEIR DALLER, M.D. AND GULFSTREAM UROLOGY, P.A.**

I. PREAMBLE

Meir Daller, M.D. and Gulfstream Urology, P.A. Daller (collectively, “Daller”) hereby enter into this Integrity Agreement (IA) with the Office of Inspector General (OIG) of the United States Department of Health and Human Services (HHS) to promote compliance with the statutes, regulations, and written directives of Medicare, Medicaid, and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) (Federal health care program requirements). Contemporaneously with this IA, Daller is entering into a Settlement Agreement with the United States.

II. TERM AND SCOPE OF THE IA

A. This IA shall have a term of three years from the Effective Date. The Effective Date shall be the date on which the final signatory signs this IA. Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”

B. Sections VII, X, and XI shall expire no later than 120 days after OIG’s receipt of: (1) Daller’s final annual report; or (2) any additional materials submitted by Daller pursuant to OIG’s request, whichever is later.

C. The term “Covered Persons” includes:

1. Daller and all employees of; and
2. all contractors, agents, and other persons who furnish patient care items or services or who perform billing or coding functions on behalf of Daller.

III. INTEGRITY OBLIGATIONS

Daller shall establish and maintain a Compliance Program that includes the following elements:

A. Posting of Notice

Within 60 days after the Effective Date, Daller shall post in a prominent place accessible to all patients and Covered Persons a notice that provides the HHS OIG Fraud Hotline telephone number (1-800-HHS-TIPS) as a confidential means by which suspected fraud or abuse in the Federal health care programs may be reported.

B. Training and Education

1. *Training.* Daller and all other Covered Persons shall receive at least three hours of training during the first Reporting Period. Training may be completed in-person or online. These training requirements may be satisfied only by the completion of courses provided by the Centers for Medicare & Medicaid Services (CMS) Medicare Learning Network (MLN), Daller's Medicare contractor, or other training courses that are submitted to OIG, prior to registration for the training course, for review and approval.

At a minimum, the required training sessions must include the following topics:

- a. the Federal health care program billing, coding and claim submission statutes, regulations, and program requirements and directives relating to the items or services furnished by Daller;
- b. the Federal health care program medical record documentation requirements, including the penalties for altering and/or falsifying medical records, relating to items or services furnished by Daller; and
- c. best practices for electronic health record documentation, and proper use of electronic health record features and capabilities.

New Covered Persons shall receive at least three hours of training within 90 days after becoming a Covered Person.

The OIG may, in its discretion, require that Daller and other Covered Persons complete additional hours of training regarding the topics identified above, or additional topics, in the second and third years of the IA. The OIG shall provide notice to Daller of such additional required training at least 180 days prior to the required completion date for such training.

2. *Training Records.* Daller shall maintain written documentation (e.g., written or electronic certificates of completion from the training provider) that all Covered Persons required to receive training have in fact completed such training. The documentation shall specify the type of training received, the individual who completed the training, and the date received.

C. Review Procedures

1. *General Description.*

- a. *Engagement of Independent Review Organization.* Within 60 days after the Effective Date, Daller shall engage an individual or entity, such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.C. The applicable requirements relating to the IRO are outlined in Appendix A to this IA, which is incorporated by reference.
- b. *Retention of Records.* The IRO and Daller shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and Daller) related to the reviews.

2. *Claims and Electronic Health Record Review.* The IRO shall conduct a review of Daller’s claims submitted to and reimbursed by the Medicare and Medicaid programs, to determine whether the items and services furnished were medically necessary and appropriately documented, and whether the claims were correctly coded, submitted, and reimbursed for each three-month period during the term

of this IA. The IRO shall also assess the electronic health record, including, but not limited to, audit logs and other relevant data elements to determine the appropriateness of revisions made to the medical record after the initial entry, pursuant to all applicable medical record documentation requirements under Medicare and state Medicaid programs (Quarterly Claims and EHR Review). Additionally, the IRO shall prepare a Quarterly Claims and EHR Review Report, as outlined in Appendix B to this IA, which is incorporated by reference. The first three-month period for purposes of the Quarterly Claims and EHR Review requirement shall begin 30 days after the Effective Date. Each Quarterly Claims and EHR Review Report shall be submitted to OIG within 60 days following the end of the three-month period covered by the Quarterly Claims and EHR Review.

3. *Independence and Objectivity Certification.* Prior to performing the first Quarterly Claims and EHR Review, and annually thereafter, the IRO shall provide to Daller a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.C and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this IA. The IRO's certification shall include a summary of all current and prior engagements between Daller and the IRO.

D. Ineligible Persons

1. *Definitions.* For purposes of this IA:

- a. an "Ineligible Person" shall include an individual or entity who:
 - i. is currently excluded from participation in any Federal health care program; or
 - ii. has been convicted of (a) a criminal offense that is related to the delivery of an item or service under Medicare or any state health care program; (b) a criminal offense relating to neglect or abuse of patients; (c) a felony criminal offense relating to fraud, theft, embezzlement, breach of fiduciary responsibility, or other financial misconduct in connection with the delivery of a health care item or service or with respect to a government funded health

care program (other than Medicare or a state health care program); or (d) a felony criminal offense relating to the unlawful manufacture, distribution, prescription or dispensing of a controlled substance, but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.

- b. "Exclusion List" means the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at <http://www.oig.hhs.gov>).

2. *Screening Requirements.* Daller shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

- a. Daller shall screen all prospective Covered Persons against the Exclusion List prior to engaging their services and, as part of the hiring or contracting process, shall require such Covered Persons to disclose whether they are Ineligible Persons.
- b. Daller shall screen all current Covered Persons against the Exclusion List within 30 days after the Effective Date and on a monthly basis thereafter.
- c. Daller shall require all Covered Persons to disclose immediately if they become an Ineligible Person.

Daller shall maintain documentation (i.e., a print screen of the search results) in order to demonstrate that Daller: (1) has checked the Exclusion List and determined that its Covered Persons are not Ineligible Persons; and (2) has required its Covered Persons to disclose if they are an Ineligible Person.

Nothing in this Section III.D affects Daller's responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. Daller understands that items or services furnished by excluded persons are not payable by Federal health care programs and that Daller may be liable for overpayments and/or criminal, civil, and administrative sanctions for

employing or contracting with an excluded person regardless of whether Daller meets the requirements of Section III.D.

3. *Removal Requirement.* If Daller has actual notice that a Covered Person has become an Ineligible Person, Daller shall remove such Covered Person from responsibility for, or involvement with, Daller's business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person's compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

4. *Pending Charges and Proposed Exclusions.* If Daller has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person's employment or contract term, Daller shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

E. Notification of Government Investigation or Legal Proceeding

Within 30 days after discovery, Daller shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Daller conducted or brought by a governmental entity or its agents involving an allegation that Daller has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Daller shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceeding, if any.

F. Overpayments

1. *Definition of Overpayments.* An "Overpayment" means any funds that Daller receives or retains under any Federal health care program to which Daller, after applicable reconciliation, is not entitled under such Federal health care program.

2. *Repayment of Overpayments.* If, at any time, Daller identifies any Overpayment, Daller shall repay the Overpayment to the appropriate payor (e.g., Medicare contractor) in accordance with the requirements of the Centers for Medicare and Medicaid Services (CMS) overpayment statute and regulations, 42 U.S.C. § 1320a-7k(d) and 42 C.F.R. §§ 401.301-305, and any applicable CMS guidance. Daller should follow the payor's policies regarding the form of notification and the repayment process for any Overpayment refunds. Any questions regarding the repayment process should be directed to the payor.

G. Reportable Events

1. *Definition of Reportable Event.* For purposes of this IA, a "Reportable Event" means anything that involves:

- a. a substantial Overpayment;
- b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;
- c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.D.1.a; or
- d. the filing of a bankruptcy petition by Daller.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. *Reporting of Reportable Events.* If Daller determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Daller shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. *Reportable Events under Section III.G.1.a and III.G.1.b.* For Reportable Events under Section III.G.1.a and b, the report to OIG shall include:

- a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims,

transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of entities and individuals believed to be implicated, including an explanation of their roles in the Reportable Event;

- b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event, if any;
- b. the Federal health care programs affected by the Reportable Event;
- c. a description of the steps taken by Daller to identify and quantify any Overpayments; and
- d. a description of Daller's actions taken to correct the Reportable Event and prevent it from recurring.

If the Reportable Event involves an Overpayment, within 60 days of identification of the Overpayment, Daller shall repay the Overpayment, in accordance with the requirements of 42 U.S.C. § 1320-7k(d) and 42 C.F.R. § 401.301-305 (and any applicable CMS guidance) and provide OIG with a copy of the notification and repayment.

4. *Reportable Events under Section III.G.1.c.* For Reportable Events under Section III.G.1.c, the report to OIG shall include:

- a. the identity of the Ineligible Person and the job duties performed by that individual;
- b. the dates of the Ineligible Persons employment or contractual relationship;
- c. a description of the Exclusion List screening that Daller completed before and/or during the Ineligible Person's employment or contract and any flaw or breakdown in the screening process that led to the hiring or contracting with the Ineligible Person;

- d. a description of how the Ineligible Person was identified; and
- e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.

5. *Reportable Events under Section III.G.1.d.* If the Reportable Event involves the filing of a bankruptcy petition, the report to the OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program requirements implicated.

6. *Reportable Events Involving the Stark Law.* Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark law) should be submitted by Daller to CMS through the self-referral disclosure protocol (SRDP), with a copy to the OIG. If Daller identifies a probable violation of the Stark law and repays the applicable Overpayment directly to the CMS contractor, then Daller is not required by this Section III.F to submit the Reportable Event to CMS through the SRDP.

H. Third Party Billing

If, prior to the Effective Date or at any time during the term of this IA Daller contracts with a third party billing company to submit claims to the Federal health care programs on behalf of Daller, Daller must certify to OIG that [he, she or it] does not have an ownership or control interest (as defined in 42 U.S.C. § 1320a-3(a)(3)) in the third party billing company and is not employed by, and does not act as a consultant to, the third party billing company.

Daller also shall obtain (as applicable) a certification from any third party billing company that the company: (i) has a policy of not employing any person who is excluded from participation in any Federal health care program to perform any duties related directly or indirectly to the preparation or submission of claims to Federal health care programs; (ii) screens its prospective and current employees against the Exclusion List; and (iii) provides training in the applicable requirements of the Federal health care programs to those employees involved in the preparation and submission of claims to Federal health care programs.

If applicable, a copy of these certifications shall be included in Daller's Implementation Report and each Annual Report required by Section V below.

**IV. SUCCESSOR LIABILITY; CHANGES TO LOCATIONS OR BUSINESS;
NEW EMPLOYMENT OR CONTRACTUAL ARRANGEMENT**

A. Sales or Purchase of a Location or Business

In the event that, after the Effective Date, Daller proposes to (a) sell any or all of its locations or businesses that are subject to this IA (whether through a sale of assets, a sale of stock, or other type of transaction), or (b) purchase or establish a new location or business related to the furnishing of items or services that may be reimbursed by any Federal health care program, the IA shall be binding on the purchaser of any such location or business and any new location or business (and all Covered Persons at each new location or business) shall be subject to the requirements of this IA, unless otherwise determined and agreed to in writing by OIG.

If, in advance of a proposed sale or proposed purchase, Daller wishes to obtain a determination by OIG that the proposed purchaser or the proposed acquisition will not be subject to the requirements of the IA, Daller must notify OIG in writing of the proposed sale or purchase at least 30 days in advance. This notification shall include a description of the location or business to be sold or purchased, a brief description of the terms of the transaction and, in the case of a proposed sale, the name and contact information of the proposed purchaser.

B. New Employment or Contractual Arrangement

At least 30 days prior to Daller becoming an employee or contractor with another party related to the furnishing of items or services that may be reimbursed by any Federal health care program, Daller shall notify OIG of his plan to become an employee or contractor and must provide OIG with the name, location, status (employee or contractor) and an explanation of Daller's responsibilities with respect to such potential employer or contractor. In addition, prior to Daller becoming an employee or contractor with another party related to the furnishing of items or services that may be reimbursed by any Federal health care program, Daller shall notify that party of this IA. This notification shall include a copy of the IA and a statement indicating the remaining term of the IA. The IA shall continue to apply to Daller following the start of the new employment or contractual relationship, unless otherwise agreed to in writing by the OIG.

V. **IMPLEMENTATION REPORT, IRO REPORTS AND ANNUAL REPORTS**

B. **IRO Reports**

Within 60 days following the end of each three-month period during the term of this IA, Daller shall provide to OIG a copy of the Quarterly Claims and EHR Review Report prepared by the IRO for each Quarterly Claims and EHR Review performed, along with Daller's response and corrective action plan related to any recommendations made by the IRO in the Quarterly Claims and EHR Review Report. Each Quarterly Claims and EHR Review Report shall include the information specified in Appendix B to this IA.

C. Annual Reports

Daller shall submit to OIG a report on its compliance with the IA requirements for each of the three Reporting Periods (Annual Report). Each Annual Report shall, at a minimum, include:

The first Annual Report shall be received by OIG no later than 60 days after the end of the first Reporting Period. Subsequent Annual Reports shall be received by OIG no later than the anniversary date of the due date of the first Annual Report.

D. Designation of Information

Daller shall clearly identify any portions of its submissions that [he, she or it] believes are trade secrets, or information that is commercial or financial and privileged or confidential, and therefore potentially exempt from disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. Daller shall refrain from identifying any information as exempt from disclosure if that information does not meet the criteria for exemption from disclosure under FOIA.

IX. DISCLOSURES

Consistent with HHS's FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify Daller prior to any release by OIG of information submitted by Daller pursuant to its obligations under this IA and identified upon submission by Daller as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, Daller shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. BREACH AND DEFAULT PROVISIONS

Daller is expected to fully and timely comply with all of [his or her] IA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, Daller and OIG hereby agree that failure to comply with certain obligations set forth in this IA may lead to the imposition of the following monetary penalties (hereinafter referred to as "Stipulated Penalties") in accordance with the following provisions.

1. A Stipulated Penalty of \$1,000 (which shall begin to accrue on the day after the date the obligation became due) for each day Daller fails to:

- a. post a notice in accordance with the requirements of Section III.A;
- b. complete the training required for Daller and Covered Persons and maintain training records, in accordance with the requirements of Section III.B;
- c. screen Covered Persons in accordance with the requirements of Section III.D; require Covered Persons to disclose if they are excluded in accordance with the requirements of Section III.D; or maintain copies of print screens from search results to demonstrate the required screening has been performed in accordance with the requirements of Section III.D;
- d. notify OIG of a government investigation or legal proceeding, in accordance with the requirements of Section III.E;
- e. repay any Overpayments as required by Section III.F and Appendix B; or
- f. report a Reportable Event in accordance with Section III.G; and
- g. provide to OIG the certifications required by Section III.H relating to any third party biller engaged by Daller during the term of the IA.

2. A Stipulated Penalty of \$1,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Daller fails to engage and use an IRO, as required by Section III.C, Appendix A, or Appendix B.

3. A Stipulated Penalty of \$1,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Daller fails to submit a complete Implementation Report, Annual Report, or any certification to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of \$1,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Daller fails to submit any Quarterly Claims Review Report in accordance with the requirements of Section III.C

and Appendix B or fails to repay any Overpayment identified by the IRO, as required by Appendix B.

5. A Stipulated Penalty of \$1,000 for each day Daller fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date Daller fails to grant access.)

6. A Stipulated Penalty of \$100,000 for each false certification submitted by or on behalf of Daller as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by OIG), or as otherwise required by this IA.

7. A Stipulated Penalty of \$1,000 for each day Daller fails to comply fully and adequately with any obligation of this IA. OIG shall provide notice to Daller stating the specific grounds for its determination that Daller has failed to comply fully and adequately with the IA obligation(s) at issue and steps the Daller shall take to comply with the IA. (This Stipulated Penalty shall begin to accrue 10 days after the date Daller receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-6 of this Section.

B. Timely Written Requests for Extensions

Daller may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this IA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Daller fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after Daller receives OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. *Demand Letter.* Upon a finding that Daller has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Daller of: (a) Daller's failure to comply; and (b) OIG's exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the "Demand Letter.")

2. *Response to Demand Letter.* Within 10 days after the receipt of the Demand Letter, Daller shall either: (a) cure the breach to OIG's satisfaction and pay the applicable Stipulated Penalties; or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event Daller elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Daller cures, to OIG's satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this IA and shall be grounds for exclusion under Section X.D.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. *Independence from Material Breach Determination.* Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG's decision that Daller has materially breached this IA, which decision shall be made at OIG's discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this IA

1. *Definition of Material Breach.* A material breach of this IA means:
 - a. a failure by Daller to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.G;
 - b. repeated violations or a flagrant violation of any of the obligations under this IA, including, but not limited to, the obligations addressed in Section X.A;

- c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or
- d. a failure to engage and use an IRO in accordance with Section III.C, Appendix A, or Appendix B.

2. *Notice of Material Breach and Intent to Exclude.* The parties agree that a material breach of this IA by Daller constitutes an independent basis for Daller's exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG's discretion, but not more than three years per material breach. Upon a determination by OIG that Daller has materially breached this IA and that exclusion is the appropriate remedy, OIG shall notify Daller of: (a) Daller's material breach; and (b) OIG's intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the "Notice of Material Breach and Intent to Exclude.")

3. *Opportunity to Cure.* Daller shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

- a. the alleged material breach has been cured; or
- b. the alleged material breach cannot be cured within the 30 day period, but that: (i) Daller has begun to take action to cure the material breach; (ii) Daller is pursuing such action with due diligence; and (iii) Daller has provided to OIG a reasonable timetable for curing the material breach.

4. *Exclusion Letter.* If, at the conclusion of the 30 day period, Daller fails to satisfy the requirements of Section X.D.3, OIG may exclude Daller from participation in the Federal health care programs. OIG shall notify Daller in writing of its determination to exclude Daller. (This letter shall be referred to as the "Exclusion Letter.") Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of Daller's receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, Daller may apply for reinstatement, by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution

1. *Review Rights.* Upon OIG's delivery to Daller of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this IA, Daller shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this IA. Specifically, OIG's determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at <http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html>.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this IA shall be: (a) whether Daller was in full and timely compliance with the obligations of this IA for which OIG demands payment; and (b) the period of noncompliance. Daller shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this IA and orders Daller to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless Daller requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this IA shall be whether Daller was in material breach of this IA and, if so, whether:

- a. Daller cured such breach within 30 days of its receipt of the Notice of Material Breach; or

- b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following Daller's receipt of the Notice of Material Breach:
 - (i) Daller had begun to take action to cure the material breach;
 - (ii) Daller pursued such action with due diligence; and
 - (iii) Daller provided to OIG a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Daller, only after a DAB decision in favor of OIG. Daller's election of its contractual right to appeal to the DAB shall not abrogate OIG's authority to exclude Daller upon the issuance of an ALJ's decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Daller may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Daller shall waive his right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Daller, Daller shall be reinstated effective on the date of the original exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this IA agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this IA.

XI. EFFECTIVE AND BINDING AGREEMENT

Daller and OIG agree as follows:

- A. This IA shall become final and binding on the date the final signature is obtained on the IA.
- B. This IA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this IA.
- C. OIG may agree to a suspension of Daller's obligations under this IA based on a certification by Daller that he is no longer providing health care items or services

that will be billed to any Federal health care program and he does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If Daller is relieved of his IA obligations, Daller shall be required to notify OIG in writing at least 30 days in advance if Daller plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the IA will be reactivated or modified.

D. All requirements and remedies set forth in this IA are in addition to and do not affect: (1) Daller's responsibility to follow all applicable Federal health care program requirements or (2) the government's right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned Daller signatory represents and warrants that he is authorized to execute this IA. The undersigned OIG signatories represent that they are signing this IA in their official capacity and that they are authorized to execute this IA.

F. This IA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same IA. Electronically-transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this IA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.C of the IA.

A. IRO Engagement

1. Daller shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A.2 of the IA or any additional information submitted by Daller in response to a request by OIG, whichever is later, OIG will notify Daller if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Daller may continue to engage the IRO.

2. If Daller engages a new IRO during the term of the IA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, Daller shall submit the information identified in Section V.A.2 of the IA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information, or any additional information submitted by Daller at the request of OIG, whichever is later, OIG will notify Daller if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Daller may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Quarterly Claims Review who have expertise in the Medicare and state Medicaid program requirements applicable to the claims being reviewed;
2. assign individuals to conduct the Quarterly Claims and Electronic Health Record Review who have expertise in best practices for electronic health record documentation, and proper use of electronic health record features and capabilities;
3. assign individuals to design and select the Quarterly Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

4. assign individuals to conduct the coding review portions of the Quarterly Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements);

5. assign licensed nurses or physicians with relevant education, training and specialized expertise (or other licensed health care professional acting within their scope of practice and specialized expertise) to make the medical necessity determinations required by the Quarterly Claims Review; and

6. have sufficient staff and resources to conduct the reviews required by the IA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Quarterly Claims Review in accordance with the specific requirements of the IA;

2. follow all applicable Medicare and state Medicaid program rules and reimbursement guidelines in making assessments in the Claims Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare or state Medicaid program policy or regulation;

4. respond to all OIG inquires in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the IA.

D. IRO Independence and Objectivity

The IRO must perform each Quarterly Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

E. IRO Removal/Termination

1. *Daller and IRO.* If Daller terminates its IRO or if the IRO withdraws from the engagement during the term of the IA, Daller must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO's reasons for its withdrawal to OIG no

later than 30 days after termination or withdrawal. Daller must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. *OIG Removal of IRO.* In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify Daller in writing regarding OIG's basis for determining that the IRO has not met the requirements of this Appendix. Daller shall have 30 days from the date of OIG's written notice to provide information regarding the IRO's qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG's review of any information provided by Daller regarding its IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify Daller in writing that Daller shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. Daller must engage a new IRO within 60 days of receipt of OIG's written notice. The final determination as to whether or not to require Daller to engage a new IRO shall be made at the sole discretion of OIG.

APPENDIX B

CLAIMS AND ELECTRONIC HEALTH RECORD REVIEW

A. Quarterly Claims and Electronic Health Record Review. The IRO shall conduct a review of Daller's claims submitted to and reimbursed by the Medicare and Medicaid programs, to determine whether the items and services furnished were medically necessary and appropriately documented, and whether the claims were correctly coded, billed, and reimbursed, for each three-month period during the term of this IA. The IRO shall also perform a review of the corresponding health record for claims selected under this review (Quarterly Claims and EHR Review). Additionally, the IRO shall prepare a report for each Quarterly Claims and EHR Review performed. The first three-month period shall begin 30 days following the Effective Date of this IA.

1. *Definitions*. For the purposes of this Appendix B, the following definitions shall be used:

- a. Overpayment: The amount of money Daller has received in excess of the amount due and payable under Medicare or any state Medicaid program requirements, as determined by the IRO in connection with the Claims Review performed under this Appendix B.
- b. Paid Claim: A claim submitted by Daller and for which Daller has received reimbursement from the Medicare program or a state Medicaid program.
- c. Population: The Population shall be defined as all Paid Claims during the three-month period covered by the Quarterly Claims Review.

2. *Quarterly Claims and EHR Sample*.

- a. Within 15 days following the end of each three-month period during the term of the IA, the IRO shall randomly select a sample of 30 Paid Claims submitted by or on behalf of Daller during the preceding three-month period (Quarterly Claims and EHR Sample). The sample must be selected through the use of OIG's Office of Audit Services' Statistical Sampling Software, also known as RAT-STATS, which is currently available at <https://oig.hhs.gov/compliance/rat-stats/index.asp>.

- b. Daller shall provide the IRO with a list of all Daller's Paid Claims for the three-month period covered by the Quarterly Claims and EHR Sample. The IRO should number each Paid Claim in the Population sequentially prior to generating the random numbers used to select the Quarterly Claims and EHR Sample. The IRO should generate 30 random numbers using RAT-STATS and then use the random numbers to identify the 30 Paid Claims in the Population that will be subject to review by the IRO.
- c. The randomly selected 30 Paid Claims shall be reviewed by the IRO based on the supporting documentation available at Daller's office or under Daller's control and applicable Medicare and state Medicaid program requirements to determine whether the items and services furnished were medically necessary and appropriately documented, and whether the claim was correctly coded, submitted, and reimbursed.
- d. The IRO shall also assess the EHR, including, but not limited to, audit logs and other relevant data elements to determine the appropriateness of revisions made to the medical record after the initial entry, pursuant to all applicable electronic medical record documentation requirements under Medicare and state Medicaid programs.
- e. The IRO shall prepare a written report of its findings from the Quarterly Claims and EHR Sample, as described in Section C below (Quarterly Claims and EHR Review Report). The Quarterly Claims and EHR Review Report shall be submitted to the OIG within 60 days following the end of the three-month period covered by each Quarterly Claims and EHR Review.

3. *Repayment of Identified Overpayments.* Daller shall repay within 60 days any Overpayments identified by the IRO in the Quarterly Claims and EHR Sample, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and 42 C.F.R. §§ 401.301-305 (and any applicable CMS guidance) (the "CMS overpayment rule"). If Daller determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, Daller shall repay that amount at the mean point estimate as calculated by the IRO. Daller shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of the Quarterly Claims and EHR Review Sample (and any related work papers) received from Daller to the appropriate Medicare or state Medicaid program contractor for appropriate follow up by that payor.

B. Claims and EHR Review Report. The IRO shall prepare a Claims and EHR Review Report for each Quarterly Claims Review performed (Quarterly Claims and EHR Review Report). The following information shall be included in each Quarterly Claims and EHR Review Report.

1. *Claims Review and EHR Methodology*.
 - a. Claims Review Population. A description of the Population subject to the Quarterly Claims and EHR Review.
 - b. Source of Data. A description of (1) the process used to identify claims in the Population, and (2) the specific documentation relied upon by the IRO when performing the Quarterly Claims and EHR Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare contractor manual or bulletins (including issue and date), other policies, regulations, or directives).
 - c. Review Protocol. A narrative description of how the Quarterly Claims and EHR Review was conducted and what was evaluated.
 - d. Supplemental Materials. The IRO shall request all documentation and materials required for its review of the Paid Claims in each Quarterly Claims and EHR Sample and Daller shall furnish such documentation and materials to the IRO, prior to the IRO initiating its review of the Quarterly Claims and EHR Sample. If the IRO accepts any supplemental documentation or materials from Daller after the IRO has completed its initial review of the Quarterly Claims and EHR Sample (Supplemental Materials), the IRO shall identify in the Quarterly Claims and EHR Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Quarterly Claims and EHR Review Report describing the process by which the Supplemental Materials were accepted and the IRO's reasons for accepting the Supplemental Materials.

2. *Statistical Sampling Documentation.* A copy of the printout of the random numbers generated by the “Random Numbers” function of RAT-STATS used by the IRO to select the Quarterly Claims and EHR Sample.

3. *Claims and EHR Review Findings.*

a. Narrative Results.

- i. For the first Quarterly Claims and EHR Review Report only, a description of (a) Daller’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing, (b) a description of controls in place to ensure that all items and services billed to Medicare or a state Medicaid program by Daller are medically necessary and appropriately documented; and (c) a description of the EHR system and its capabilities. Subsequent Quarterly Claims and EHR Review Reports should describe any significant changes to items (a), (b), or (c) or, if no significant changes were made, state that the systems and controls remain the same as described in the prior Quarterly Claims and EHR Review Report.
- ii. A narrative explanation of the results of the Quarterly Claims and EHR Sample, including reasons for errors, patterns noted, etc.

b. Quantitative Results.

- i. Total number and percentage of instances in which the IRO determined that the coding of the Paid Claims submitted by Daller differed from what should have been the correct coding and in which such difference resulted in an Overpayment to Daller.
- ii. Total number and percentage of instances in which the IRO determined that a Paid Claim was not appropriately documented and in which such documentation errors resulted in an Overpayment to Daller.
- iii. Total number and percentage of instances in which the IRO determined that a Paid Claim was for items or services that

were not medically necessary and resulted in an Overpayment to Daller.

- iv. Total dollar amount of all Overpayments in the Quarterly Claims and EHR Review Sample.
 - v. Total dollar amount of Paid Claims included in the Quarterly Claims and EHR Review Sample.
 - vi. Error Rate in the Quarterly Claims and EHR Review Sample. The Error Rate shall be calculated by dividing the Overpayment in the Quarterly Claims Review Sample by the total dollar amount associated with the Paid Claims in the Quarterly Claims Review Sample.
 - vii. An estimate of the actual Overpayment in the Population at the mean point estimate.
 - viii. A narrative discussion of findings of the assessment of the EHR and the appropriateness of revisions, if any, made to the medical record after the initial entry
 - viii. A spreadsheet of the Quarterly Claims and EHR Sample results that includes the following information for each Paid Claim: Federal health care program billed, beneficiary health insurance claim number, date of service, procedure code submitted, procedure code reimbursed, allowed amount reimbursed by payor, correct procedure code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.
- c. Recommendations. The IRO's report shall include any recommendations for improvements to Daller's billing and coding system or to Daller's controls for ensuring that all items and services billed to Medicare or a state Medicaid program are medically necessary and appropriately documented, based on the findings of the Quarterly Claims and EHR Review.
- d. Credentials. The names and credentials of the individuals who: (1) designed the review methodology utilized for the Quarterly Claims and EHR Review and (2) performed the Quarterly Claims Review.

C. Other Requirements. The following requirements apply to any Quarterly Claims and EHR Review performed pursuant to this Appendix B.

1. *Paid Claims without Supporting Documentation.* Any Paid Claim for which Daller cannot produce documentation shall be considered an error and the total reimbursement received by Daller for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

2. *Use of First Samples Drawn.* For the purposes of all samples discussed in this Appendix, the Paid Claims selected in each first sample shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the sample).
