

VA offers infertility treatment, including in vitro fertilization (IVF), to eligible* Veterans (and their spouses) with a service-connected condition that results in infertility.

STEP 1: EVALUATION

STEP 2: PLANNING

Reproductive Endocrinology & Infertility (REI) Providers

Based on the evaluation, VA refers eligible Veterans to an infertility specialist in the community.

STEP 3: TREATMENT

Treatment may include several types of services.

GET STARTED

VETERANS

Contact the Women Veterans Call Center at **855-829-6636** to learn more about service-connected infertility treatment.

COMMUNITY PROVIDERS

Visit www.va.gov/communitycare to find out how to partner with VA to provide infertility treatment to Veterans.

* In vitro fertilization may be provided when clinically appropriate to (1) a Veteran who has a service-connected disability that results in the inability of the Veteran to procreate without the use of fertility treatment; and, (2) the spouse of such Veteran.
