Airport Certification Information Bulletin (ACIB) 16-03

Subject: Supplemental Notice of Proposed Rulemaking: Safety Management System for Certificated Airports

The FAA has published a Supplemental Notice of Proposed Rulemaking (SNPRM) for Safety Management Systems (SMS) for certificated airports. This notice is available online to read and provide feedback on this proposed rule. **The deadline for comments is Monday, September 12, 2016.**

Use the links below to access the following information:

FAA Update: This page provides an overview of the SNPRM, as well as links to the FAA Airports SMS Home Page - http://www.faa.gov/news/updates/?newsId=85926

FAA Fact Sheet: This page lists common questions about the SNPRM and the review period - http://www.faa.gov/news/fact_sheets/news_story.cfm?newsId=20554

Federal Register: This page contains the SNPRM available for reading on line or PDF download. The SNPRM contains information on providing comments and contact information for any questions - https://www.federalregister.gov/articles/2016/07/14/2016-16596/safety-management-system-for-certificated-airports

We strongly encourage you to review the SNPRM in its entirety before providing comments or questions. The SNPRM contains background information about the rule, as well as explanations for the SNPRM content.
