21 *“(B) Except as provided in paragraph (3), a Governor*

2 *OF-STATE MUNICIPAL SOLID WASTE.—(1) The authority to*
3 *prohibit the disposal of out-of-State municipal solid waste*
4 *provided under subsection (a)(1) shall not apply to landfills*
5 *and incinerators in operation on the date of enactment of*
6 *this section that—*

1 *regulations unless disposal of municipal solid waste gen-*
2 *erated within the State at such facilities is also prohibited.*

3 “(c) *ADDITIONAL AUTHORITY TO LIMIT OUT-OF-*
4 *STATE MUNICIPAL SOLID WASTE.—(1) In any case in*
5 *which an affected local government is considering entering*
6 *into, or has entered into, a host community agreement and*
7 *the disposal or incineration of out-of-State municipal solid*
8 *waste under such agreement would preclude the use of mu-*
9 *nicipal solid waste management capacity described in*
10 *paragraph (2), the Governor of the State in which the af-*
11 *ected local government is located may prohibit the execu-*
12 *tion of such host community agreement with respect to that*
13 *capacity.*

14 “(2) *The municipal solid waste management capacity*
15 *referred to in paragraph (1) is that capacity—*

16 “(A) *that is permitted under Federal or State*
17 *law;*

18 “(B) *that is identified under the State plan; and*

19 “(C) *for which a legally binding commitment be-*

22 *municipal solid waste generated within the region*
23 *(identified under section 4006(a)) in which the local*
24 *government is located.*

25 “(d) *COST RECOVERY SURCHARGE.—*

1 “(1) *AUTHORITY.*—A State described in para-
2 graph (2) may adopt a law and impose and collect
3 a cost recovery charge on the processing or disposal
4 of out-of-State municipal solid waste in the State in
5 accordance with this subsection.

6 “(2) *APPLICABILITY.*—The authority to impose a
7 cost recovery surcharge under this subsection applies
8 to any State that on or before April 3, 1994, imposed
9 and collected a special fee on the processing or dis-
10 posal of out-of-State municipal solid waste pursuant
11 to a State law.

12 “(3) *LIMITATION.*—No such State may impose or
13 collect a cost recovery surcharge from a facility on

17 enactment of this section.

18 “(4) *AMOUNT OF SURCHARGE.*—The amount of
19 the cost recovery surcharge may be no greater than
20 the amount necessary to recover those costs deter-

22 event may exceed \$1.00 per ton of waste.

23 “(5) *USE OF SURCHARGE COLLECTED.*—All cost
24 recovery surcharges collected by a State covered by
25 this subsection shall be used to fund those solid waste

4 “(6) *CONDITIONS.—(A) Subject to subparagraphs*
5 *(B) and (C), a State covered by this subsection may*
6 *impose and collect a cost recovery surcharge on the*

8 *municipal solid waste if—*

9 “(i) *the State demonstrates a cost to the*
10 *State arising from the processing or disposal*
11 *within the State of a volume of municipal solid*
12 *waste from a source outside the State;*

13 “(ii) *the surcharge is based on those costs to*
14 *the State demonstrated under clause (i) that, if*
15 *not paid for through the surcharge, would other-*
16 *wise have to be paid or subsidized by the State;*
17 *and*

18 “(iii) *the surcharge is compensatory and is*
19 *not discriminatory.*

20 “(B) *In no event shall a cost recovery surcharge*
21 *be imposed by a State to the extent that the cost for*
22 *which recovery is sought is otherwise paid, recovered,*
23 *or offset by any other fee or tax paid to the State or*
24 *its political subdivision or to the extent that the*
25 *amount of the surcharge is offset by voluntarily*

1 *agreed payments to a State or its political subdivi-*
2 *sion in connection with the generation, transpor-*
3 *tation, treatment, processing, or disposal of solid*
4 *waste.*

5 *“(C) The grant of a subsidy by a State with re-*

21 *its chemical, biological or physical state, through*
22 *processes such as thermal treatment, bailing,*
23 *composting, crushing, shredding, separation, or*
24 *compaction.*

1 “(e) SAVINGS CLAUSE.—Nothing in this section shall
2 be interpreted or construed—

3 “(1) to have any effect on State law relating to
4 contracts; or

5 “(2) to affect the authority of any State or local
6 government to protect public health and the environ-
7 ment through laws, regulations, and permits, includ-
8 ing the authority to limit the total amount of municipi-
9 pal solid waste that landfill or incinerator owners or
10 operators within the jurisdiction of a State may ac-
11 cept during a prescribed period: Provided That such
12 limitations do not discriminate between in-State and
13 out-of-State municipal solid waste, except to the ex-
14 tent authorized by this section.

15 “(f) DEFINITIONS.—As used in this section:

16 “(1)(A) The term ‘affected local government’,
17 used with respect to a landfill or incinerator,
18 means—

19 “(i) the public body created by State law
20 with responsibility to plan for municipal solid
21 waste management, a majority of the members of
22 which are elected officials, for the area in which
23 the facility is located or proposed to be located;
24 or

1 “(i) the elected officials of the city, town,
2 township, borough, county, or parish exercising
3 primary responsibility over municipal solid
4 waste management or the use of land in the ju-
5 risdiction in which the facility is located or is
6 proposed to be located.

7 “(B)(i) Within 90 days after the date of enact-
8 ment of this section, a Governor may designate and
9 publish notice of which entity listed in clause (i) or
10 (ii) of subparagraph (A) shall serve as the affected
11 local government for actions taken under this section
12 and after publication of such notice.

13 “(ii) If a Governor fails to make and publish no-
14 tice of such a designation, the affected local govern-
15 ment shall be the elected officials of the city, town,
16 township, borough, county, parish, or other public
17 body created pursuant to State law with primary ju-
18 risdiction over the land or the use of land on which
19 the facility is located or is proposed to be located.

20 “(C) For purposes of host community agreements
21 entered into before the date of publication of the no-

1 “(2) *HOST COMMUNITY AGREEMENT.*—*The term*
2 *‘host community agreement’ means a written, legally*
3 *binding document or documents executed by duly au-*
4 *thorized officials of the affected local government that*
5 *specifically authorizes a landfill or incinerator to re-*
6 *ceive municipal solid waste generated out of State,*
7 *but does not include any agreement to pay host com-*
8 *munity fees for receipt of waste unless additional ex-*
9 *press authorization to receive out-of-State waste is*
10 *also included.*

11 “(3) *The term ‘out-of-State municipal solid*
12 *waste’ means, with respect to any State, municipal*
13 *solid waste generated outside of the State. Unless the*
14 *President determines it is inconsistent with the North*
15 *American Free Trade Agreement and the General*
16 *Agreement on Tariffs and Trade, the term shall in-*
17 *clude municipal solid waste generated outside of the*
18 *United States. Notwithstanding any other provision*
19 *of law, generators of municipal solid waste outside the*
20 *United States shall possess no greater right of access*
21 *to disposal facilities in a State than United States*
22 *generators of municipal solid waste outside of that*
23 *State.*

24 “(4) *The term ‘municipal solid waste’ means*
25 *refuse (and refuse-derived fuel) generated by the gen-*

1 *eral public or from a residential, commercial, institu-*
2 *tional, or industrial source (or any combination*
3 *thereof), consisting of paper, wood, yard wastes, plas-*
4 *tics, leather, rubber, or other combustible or non-*
5 *combustible materials such as metal or glass (or any*
6 *combination thereof). The term ‘municipal solid*
7 *waste’ does not include—*

8 *“(A) any solid waste identified or listed as*
9 *a hazardous waste under section 3001;*

10 *“(B) any solid waste, including contami-*
11 *nated soil and debris, resulting from a response*
12 *action taken under section 104 or 106 of the*
13 *Comprehensive Environmental Response, Com-*
14 *ensation, and Liability Act of 1980 (42 U.S.C.*
15 *9604 or 9606) or a corrective action taken under*
16 *this Act;*

17 *“(C) any metal, pipe, glass, plastic, paper,*
18 *textile, or other material that has been separated*
19 *or diverted from municipal solid waste (as other-*
20 *wise defined in this paragraph) and has been*
21 *transported into a State for the purpose of recy-*
22 *cling or reclamation;*

23 *“(D) any solid waste that is—*

24 *“(i) generated by an industrial facil-*
25 *ity; and*

1 “(ii) transported for the purpose of
2 treatment, storage, or disposal to a facility
3 that is owned or operated by the generator
4 of the waste, or is located on property
5 owned by the generator of the waste, or is
6 located on property owned by a company in
7 which the generator of the waste has an
8 ownership interest;

9 “(E) any solid waste generated incident to
10 the provision of service in interstate, intrastate,
11 foreign, or overseas air transportation;

12 “(F) any industrial waste that is not iden-

14 fined in this paragraph) with respect to the
15 physical and chemical state of the industrial
16 waste, and composition, including construction
17 and demolition debris;

18 “(G) any medical waste that is segregated

25 practice of adhering to and satisfying standards and

1 *requirements promulgated by the Federal or a State*
2 *government for the purpose of preventing significant*
3 *harm to human health and the environment. Actions*
4 *undertaken in accordance with compliance schedules*
5 *for remediation established by Federal or State en-*
6 *forcement authorities shall be considered compliance*
7 *for purposes of this section.*

8 *“(6) The terms ‘specifically authorized’ and ‘spe-*
9 *cifically authorizes’ refer to an explicit authorization,*
10 *contained in a host community agreement or permit,*
11 *to import waste from outside the State. Such author-*
12 *ization may include a reference to a fixed radius sur-*
13 *rounding the landfill or incinerator that includes an*
14 *area outside the State or a reference to any place of*
15 *origin, reference to specific places outside the State, or*
16 *use of such phrases as ‘regardless of origin’ or ‘outside*
17 *the State’. The language for such authorization may*
18 *vary as long as it clearly and affirmatively states the*
19 *approval or consent of the affected local government*
20 *or State for receipt of municipal solid waste from*
21 *sources outside the State.*

22 *“(g) IMPLEMENTATION AND ENFORCEMENT.—Any*
23 *State may adopt such laws and regulations, not inconsis-*
24 *ent with this section, as are necessary to implement and*
25 *enforce this section, including provisions for penalties.”.*

 11 *consistent with the provisions of this section;*

12 (B) *a State law enacted in 1990 and a reg-*
 13 *ulation adopted by the governor in 1991 specifi-*
 14 *cally requires the permit applicant to dem-*

 24 *in paragraph (1) relating to ground water monitor-*

1 *ing shall not apply to an owner or operator of a new*
2 *municipal solid waste landfill unit, an existing mu-*
3 *nicipal solid waste landfill unit, or a lateral expan-*
4 *sion of a municipal solid waste landfill unit, that dis-*
5 *poses of less than 20 tons of municipal solid waste*
6 *daily, based on an annual average, if—*

7 *“(A) there is no evidence of ground water*
8 *contamination from the municipal solid waste*
9 *landfill unit or expansion; and*

10 *“(B) the municipal solid waste landfill unit*
11 *or expansion serves—*

12 *“(i) a community that experiences an*
13 *annual interruption of at least 3 consec-*
14 *utive months of surface transportation that*
15 *prevents access to a regional waste manage-*
16 *ment facility; or*

17 *“(ii) a community that has no prac-*
18 *ticable waste management alternative and*
19 *the landfill unit is located in an area that*
20 *annually receives less than or equal to 25*
21 *inches of precipitation.*

22 *“(3) PROTECTION OF GROUND WATER RE-*
23 *SOURCES.—*

24 *“(A) MONITORING REQUIREMENT.—A State*
25 *may require ground water monitoring of a solid*

3 ground water resources and ensure compliance
4 with a State ground water protection plan,
5 where applicable.

6 “(B) *METHODS.*—If a State requires
7 ground water monitoring of a solid waste land-
8 fill unit under subparagraph (A), the State may
9 allow the use of a method other than the use of
10 ground water monitoring wells to detect a release
11 of contamination from the unit.

13 a release from a solid waste landfill unit, the
14 State shall require corrective action as appro-
15 priate.

20 Native village (as defined in section 3 of the Alaska
21 Native Claims Settlement Act (16 U.S.C. 1602)) or
22 unit that is located in or near a small, remote Alaska
23 village would be infeasible, or would not be cost-effec-
24 tive, or is otherwise inappropriate because of the re-
25 mote location of the unit, the State may exempt the

1 *unit from some or all of those requirements. This sub-*
2 *section shall apply only to solid waste landfill units*
3 *that dispose of less than 20 tons of municipal solid*
4 *waste daily, based on an annual average.*

5 *“(5) NO-MIGRATION EXEMPTION.—*

6 *“(A) IN GENERAL.—Ground water monitor-*
7 *ing requirements may be suspended by the Direc-*
8 *tor of an approved State for a landfill operator*
9 *if the operator demonstrates that there is no po-*
10 *tential for migration of hazardous constituents*
11 *from the unit to the uppermost aquifer during*
12 *the active life of the unit and the post-closure*
13 *care period.*

14 *“(B) CERTIFICATION.—A demonstration*

6 *tons or less of municipal solid waste per day based*
7 *on an annual average: Provided That such alternate*
8 *requirements are sufficient to protect human health*
9 *and the environment.”.*
