

# HEALTHY VOLUNTEERS NEEDED

The National Center for Complementary and Integrative Health (NCCIH) seeks healthy volunteers to participate in an fMRI study exploring how the brain responds to painful stimulations. All study-related tests are provided at no cost. Compensation will be provided.

## Participation involves:

- one screening and two testing visits
- psychological questionnaires
- one MRI scan
- short heat pulses given to lower leg

## You may be eligible if you are:

- ▶ 18 years or older
- ▶ in good health

## You may not be eligible if you:

- ▶ are pregnant or breast-feeding
- ▶ are a smoker
- ▶ have metal implants
- ▶ have taken opioids in the last 30 days

**Location:** The NIH Clinical Center, America's research hospital is located on the Metro red line (Medical Center stop) in Bethesda, Maryland.
