### Public Webinars

The two public webinars will take place on May 13, 2015 and May 15, 2015, from 1:00 PM until 2:30 PM Eastern Daylight time.  **Each of the webinars will cover essentially the same information.**  The audio portion of the webinar is accessible via phone with a limited capacity of 200 concurrent participants and via audio streaming with a limited capacity of 500 concurrent participants.  The ability to log-in to a webinar session is established on a first-come, first-served basis.  Participants will be able to log-in to each webinar session approximately 30 minutes prior to the official start time.  Please note that due to the large number of participants, callers will not have the ability to ask questions over the phone line.  However, you will be able to submit your questions through the webinar chat function or by emailing your questions in advance to flc.pwd@dol.gov.  Please use the email subject line, "Questions for H-2B 2015 Final Wage Rule Webinar."

Because of a potentially high demand for these webinars, we encourage organizations or other groups of participants to access the webinars at a single, centralized location to maximize attendance.
