

INDIANA SECTOR PARTNERSHIPS

The **State Workforce Innovation Council (SWIC)** and various stakeholders have adopted the following criteria to define a sector strategy as *“a partnership of multiple employers within a critical industry that brings together education, economic development, workforce systems, and community organizations to identify and collaboratively meet the workforce needs of that industry within a regional labor market.”*

This map highlights, and specifically lists, Indiana’s regional sector partnerships which are in three stages of formation: **Exploring** (beginning), **Emerging** (intermediate) and **Operational** (fully active).
