

115TH CONGRESS
1ST SESSION

H. R. 4575

To amend title XXVII of the Public Health Service Act to preserve consumer and employer access to licensed independent insurance producers.

IN THE HOUSE OF REPRESENTATIVES

DECEMBER 6, 2017

Mr. LONG (for himself and Mr. SCHRADER) introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To amend title XXVII of the Public Health Service Act to preserve consumer and employer access to licensed independent insurance producers.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Access to Independent
5 Health Insurance Advisors Act of 2017”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) Licensed independent insurance producers
9 (agents and brokers) provide a wide range of serv-
10 ices for both individual consumers and the business

1 community. Producers interface with insurers, ac-
2 quire quotes, analyze plan options, and consult cli-
3 ents through the purchase of health insurance.

4 (2) Licensed independent insurance producers
5 provide guidance regarding benefit and contribution
6 arrangements to ensure compliance with applicable
7 State and Federal laws and regulations; assist with
8 establishing section 125 plan tax savings under the
9 Internal Revenue Code, health reimbursement ar-
10 rangements, flexible spending arrangements, eval-
11 uating and securing small business tax credits as pro-
12 vided in the Patient Protection and Affordable Care
13 Act, and other programs to maximize tax advantages
14 and ensure compliance with applicable Internal Rev-
15 enue Service guidelines; create educational materials
16 and provide on-site assistance to aid in employee
17 benefit communication; assist in managing eligibility
18 for new hires and terminated employees; provide ad-
19 vocacy for employees through the health insurance
20 claim process; and advocate for employers with in-
21 surers in developing proposals, renewals, and for
22 service issues throughout the year.

23 (3) In order to meet these responsibilities, li-
24 censed independent insurance producers are required
25 to complete continuing education on an ongoing

1 basis in order to maintain appropriate licenses. This
2 requirement to maintain educational standards helps
3 assure the insured public that producers remain cur-
4 rent with the ever-evolving insurance market.

5 (4) It is essential that licensed independent in-
6 surance producers continue to perform these duties,
7 and others, as the Patient Protection and Affordable
8 Care Act has made significant changes to the regu-
9 latory environment for health plans. To understand
10 these changes, employers and consumers will need
11 professional guidance even more in the future. This
12 service is especially important for small businesses,
13 as such producers often fill the role of a human re-
14 sources department as well as professional consult-
15 ant.

16 (5) The National Association of Insurance
17 Commissioners (NAIC), whose core mission is to
18 protect consumers in all aspects of the business of
19 insurance, strongly advocates for the continuing role
20 of licensed independent insurance producers in
21 health insurance, and has expressed that the ability
22 of insurance agents and brokers to continue assist-
23 ing health insurance consumers at a time of rapid
24 insurance market changes is more essential than
25 ever. On November 22, 2011, the NAIC adopted a

1 resolution stating that “Congress should expedi-
2 tiously consider legislation amending the MLR provi-
3 sions of the PPACA in order to preserve consumer
4 access to agents and brokers”.

5 (6) It is critical that the indispensable role
6 played by licensed independent insurance producers
7 is recognized and protected.

8 **SEC. 3. PROTECTING THE ABILITY OF LICENSED INDE-
9 PENDENT INSURANCE PRODUCERS TO CON-
10 TINUE TO SERVE THE PUBLIC.**
