

115TH CONGRESS
1ST SESSION

H. R. 4006

To establish a Community-Based Institutional Special Needs Plan demonstration program to target home and community-based care to eligible Medicare beneficiaries, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

OCTOBER 11, 2017

Ms. SÁNCHEZ (for herself, Mr. MEEHAN, Mr. SCHRADER, and Mr. LANCE) introduced the following bill; which was referred to the Committee on Ways and Means, and in addition to the Committee on Energy and Commerce, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To establish a Community-Based Institutional Special Needs Plan demonstration program to target home and community-based care to eligible Medicare beneficiaries, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Community-Based
5 Independence for Seniors Act of 2017”.

1 **SEC. 2. FINDINGS.**

2 Congress makes the following findings:

3 (1) Community-based services play an essential
4 role in keeping individuals healthy.

5 (2) Without community-based long-term serv-
6 ices and supports, which are not typically covered by
7 Medicare, seniors frequently experience negative
8 health outcomes and lose their ability to live inde-
9 pendently.

10 (3) Seniors who deplete their resources often
11 have no option but to turn to Medicaid for coverage
12 of long term care expenses.

13 (4) Targeting community-based services and
14 supports to at-risk seniors can help these individuals
15 avoid depleting their assets and becoming Medicaid
16 dependent.

17 **SEC. 3. COMMUNITY-BASED INSTITUTIONAL SPECIAL**
18 **NEEDS PLAN DEMONSTRATION.**

19 Part C of title XVIII of the Social Security Act is
20 amended by inserting after section 1859 (42 U.S.C.
