20 SEC. 401. Construction of the Trappers Loop connec-
21 tor road, and any related actions, by any Federal or state
22 agency or other entity are deemed to be non-discretionary
23 actions authorized and directed by Congress under Title
24 III, section 304(e)(3) of the Omnibus Parks and Public
25 Lands Management Act of 1996 (110 Stat. 4093).

1 SEC. 402. Neither the issuance by the United States
2 of an easement on and across National Forest lands for
3 the Boulder City Pipeline (also known as Lakewood Pipe-
4 line) nor the acceptance of such easement by the City of
5 Boulder, Colorado, nor the relocation of such pipeline on
6 such easement, shall cause, be construed as, or result in
7 the abandonment, termination, relinquishment, revocation,
8 limitation, or diminution of any rights claimed by such city
9 pursuant to or as a result of any prior grant, including
10 the Act of July 26, 1866 (43 U.S.C. 661) and the Acts
11 authorizing the conveyance of such city of the Silver Lake
12 Watershed. The alignment of the relocated pipeline shall
13 be considered neither more nor less within the scope of
14 any prior grants than the alignment of the pipeline exist-
15 ing prior to the issuance of such easement.

16 SEC. 403. Notwithstanding any other provision of
17 law, the Secretary of the Interior, through the Bureau of
18 Indian Affairs, may hereafter directly transfer to Indian
19 tribes in North and South Dakota portable housing units
20 at the Grand Forks Air Force Base in North Dakota that
21 have been declared excess by the Department of Defense
22 and requested for transfer by the Department of the Inte-
23 rior.

24 SEC. 404. PETROGLYPH NATIONAL MONUMENT. (a)
25 SHORT TITLE.—This section may be cited as the

1 “Petroglyph National Monument Boundary Adjustment
2 Act”.

3 (b) FINDINGS.—Congress finds that—

4 (1) the purposes for which Petroglyph National
5 Monument (referred to in this section as “the monu-
6 ment”) was established continue to be valid;

7 (2) it is of mutual benefit to the trustee institu-
8 tions of the New Mexico State Trust lands and the
9 National Park Service for land exchange negotia-
10 tions to be completed with all due diligence, result-
11 ing in the transfer of all State Trust lands within
12 the boundaries of the monument to the United
13 States in accordance with State and Federal law;

14 (3) because the city of Albuquerque, New Mex-
15 ico, has acquired substantial acreage within the
16 monument boundaries, purchased with State and
17 municipal funds, the consolidation of land ownership
18 and jurisdiction under the National Park Service will
19 require the consent of the city of Albuquerque, and
20 options for National Park Service acquisition that
21 are not currently available;

22 (4) corridors for the development of Paseo del
23 Norte and Unser Boulevard are depicted on the map
24 referred to in section 102(a) of the Petroglyph Na-
25 tional Monument Establishment Act of 1990 (Public

1 Law 101–313; 16 U.S.C. 431 note), and the align-
2 ment of the roadways was anticipated by Congress
3 before the date of enactment of the Act;

4 (5) it was the expectation of the principal pro-
5 ponents of the monument, including the cities of Al-
6 buquerque and Rio Rancho, New Mexico, and the
7 National Park Service, that passage of the
8 Petroglyph National Monument Establishment Act
9 of 1990 (Public Law 101–313; 16 U.S.C. 431 note)
10 would allow the city of Albuquerque—

11 (A) to utilize the Paseo del Norte and
12 Unser Boulevard corridors through the monu-
13 ment; and

14 (B) to design and construct infrastructure
15 within the corridors with the cultural and natu-
16 ral resources of the monument in mind;

17 (6) the city of Albuquerque has not provided for
18 the establishment of rights-of-way for the Paseo del
19 Norte and Unser Boulevard corridors under the
20 Joint Powers Agreement (PANO 78–521.81–277A),
21 which expanded the boundary of the monument to
22 include the Piedras Marcadas and Boca Negra units,
23 pursuant to section 104 of the Petroglyph National
24 Monument Establishment Act of 1990 (Public Law
25 101–313; 16 U.S.C. 431 note);

1 (7) adequate planning and cooperation between
2 the city of Albuquerque and the National Park Serv-
3 ice is essential to avoid resource degradation within
4 the monument resulting from storm water runoff,
5 and drainage conveyances through the monument
6 should be designed and located to provide sufficient
7 capacity for effective runoff management; and

8 (8) the monument will best be managed for the
9 benefit and enjoyment of present and future genera-
10 tions with cooperation between the city of Albuquer-
11 que, the State of New Mexico, and the National
12 Park Service.

13 (c) STORM WATER DRAINAGE AND TECHNICAL AS-
14 SISTANCE.—

15 (1) STORM WATER DRAINAGE.—Not later than
16 180 days after the date of enactment of this Act, the
17 Secretary of the Interior, acting through the Direc-
18 tor of the National Park Service (referred to in this
19 section as the “Secretary”), and the city of Albu-
20 querque, New Mexico, shall enter into negotiations
21 to provide for the management of storm water run-
22 off and drainage within the monument, including the
23 design and construction of any storm water cor-
24 ridors, conveyances, and easements within the monu-
25 ment boundaries.

1 (2) DESIGN SPECIFICATIONS.—

2 (A) IN GENERAL.—At least 120 days be-
3 fore the initiation of any construction within
4 the corridor described in Exhibit B of the docu-
5 ment referred to in subparagraph (C), the city
6 of Albuquerque, New Mexico, shall provide to
7 the Secretary design specifications for the con-
8 struction project.

9 (B) TECHNICAL ASSISTANCE.—Prior to or
10 on receipt of the specifications, the Secretary
11 may provide the city with technical assistance
12 in the design of any construction project within
13 such corridor. Technical assistance provided by
14 the Secretary shall be solely to advise the city
15 on design.

16 (C) DOCUMENT.—The document described
17 in this section is the document entitled
18 “Petroglyph National Monument Roadway/Util-
19 ity Corridors”, on file with the Secretary of the
20 Interior and the mayor of the city of Albuquer-
21 que, New Mexico.

2 of the Petroglyph National Monument Establish-
3 ment Act of 1990 (Public Law 101–313, 16 U.S.C.
4 431 note) is amended—

5 (A) by striking “(a) The Secretary” and
6 inserting the following:

7 “(a) AUTHORITY.—

8 “(1) IN GENERAL.—Subject to paragraph (2),
9 the Secretary”;

10 (B) by striking “, except that lands or in-

17 owned by the State or a political subdivision of the
18 State may be acquired by purchase before—

19 “(A) the State or political subdivision hold-
20 ing title to the land or interest in land identifies
21 the land or interest in land for disposal; and

22 “(B)(i) all private land within the monu-
23 ment boundary for which there is a willing sell-

4 to acquire all remaining private land at
5 fair market value.”.

6 (2) BOUNDARY ADJUSTMENT.—Section 104(a)
7 of the Petroglyph National Monument Establish-
8 ment Act of 1990 (Public Law 101–313; 16 U.S.C.
9 431 note) is amended—

10 (A) by redesignating paragraphs (1) and
11 (2) as subparagraphs (A) and (B), respectively,
12 and indenting appropriately;

13 (B) by striking ‘(a) Upon’ and inserting

24 adjusted to exclude the Paseo Del Norte
25 corridor in the Piedras Marcadas Unit de-

1 scribed in Exhibit B of the document de-
2 scribed in subparagraph (B); and

3 “(ii) the inclusion of the Paseo Del
4 Norte corridor within the boundary of the
5 monument before the date of enactment of
6 this paragraph shall have no effect on any
7 future ownership, use, or management of
8 the corridor.

9 “(B) DOCUMENT.—The document de-
10 scribed in this subparagraph is the document
11 entitled ‘Petroglyph National Monument Road-
12 way/Utility Corridors’, on file with the Sec-
13 retary of the Interior and the mayor of the city
14 of Albuquerque, New Mexico.”

15 (e) ADMINISTRATION AND MANAGEMENT OF THE
16 MONUMENT.—Section 105 of the Petroglyph National

3 grade and salary within the National Park Service, any
4 willing employees of the city assigned to the unit.”.

5 (f) DOUBLE EAGLE II AIRPORT ACCESS ROAD.—The
6 Administrator of the Federal Aviation Administration
7 shall allow the use of the access road to the Double Eagle

13 and execute any projects, including timber sales, that were
14 previously scheduled for initiation or completion in fiscal

5 to administer the schools and libraries program and the
6 rural health care provider program under section 254(h)
7 of the Communications Act of 1934 (47 U.S.C. 254(h)),

19 (ii) the amount that will be passed on
20 to interexchange carriers in the form of in-

23 incumbent local exchange carrier contribu-
24 tions will be reflected, and an explanation
25 of why this method of cost recovery is con-

1 sistent with the goal of competitive neu-

3 Act (47 U.S.C. 254(d)).

4 (G) Based on the applications for funding

13 facilities as set forth in the eligibility list of the
14 Schools and Libraries Corporation, and
