A BILL

To recognize Jerusalem as the capital of Israel and to transfer to Jerusalem the United States Embassy located in Tel Aviv.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Recognition of Jeru-
5 salem as the Capital of the State of Israel Act”.

1 **SEC. 2. FINDINGS.**

2 Congress finds the following:

3 (1) For more than 3,000 years, the Jewish peo-
4 ple have maintained a continuous connection and
5 presence in the land of Israel and their eternal and
6 indivisible capital city of Jerusalem.

7 (2) The State of Israel was established on May
8 14, 1948, in the wake of World War II in order to
9 serve as a homeland and place of refuge for the Jew-
10 ish people.

11 (3) From 1948 to 1967, Jerusalem was a di-
12 vided city and not all Israeli citizens of all faiths
13 were entitled to visit the holy sites, and Jews from
14 other countries were restricted in their access to holy
15 sites in the area controlled by Jordan. In 1967, the
16 city of Jerusalem was reunited during the conflict
17 known as the Six Day War, and since 1967, Jeru-
18 salem has been a unified city administered by Israel,
19 and persons of all faiths have been guaranteed full
20 access to the holy sites within the city.

21 (4) On July 31, 1988, Jordan relinquished its
22 disputed sovereignty claims to Judea and Samaria
23 and East Jerusalem, and therefore sovereign claims
24 to these areas remain “disputed”, not “occupied”.

25 (5) In 1990, Congress unanimously adopted
26 Senate Concurrent Resolution 106, which declares

1 that Congress “strongly believes that Jerusalem
2 must remain an undivided city in which the rights
3 of every ethnic religious group are protected”.

4 (6) In 1995, Congress overwhelmingly approved
5 the Jerusalem Embassy Act (Public Law 104–45),
6 requiring the establishment of the United States
7 Embassy in Jerusalem not later than May 31, 1999.

8 (7) The United States maintains its embassy in
9 the functioning capital in every country except in the
10 State of Israel.

11 (8) Israel has far exceeded the 1907 Hague
12 Regulation as directed by international law. Israel
13 has taken all measures to restore and ensure public
14 order and safety in Jerusalem.

15 (9) Jerusalem has been far safer and more pro-
16 tected under Israel’s administration than under any
17 previous authorities.

18 (10) Civil life is entirely present in Jerusalem,
19 and all government institutions and related frame-
20 works are also present, including the Knesset, the
21 Bank of Israel, the Ministry of Foreign Affairs, the
22 Prime Minister’s and President’s offices, and the
23 Supreme Court.

1 **SEC. 3. RECOGNITION OF JERUSALEM AS THE CAPITAL OF**
2 **ISRAEL AND RELOCATION OF THE UNITED**
3 **STATES EMBASSY FROM TEL AVIV TO JERU-**
4 **SALEM.**

5 (a) **POLICY.**—It is the policy of the United States to
6 recognize Jerusalem as the undivided capital of the State
7 of Israel, both de jure and de facto.

8 (b) **SENSE OF CONGRESS.**—It is the sense of Con-
9 gress that—

10 (1) the United States should recognize the sov-
11 ereign status of an undivided Jerusalem as the cap-
12 ital of the State of Israel;

13 (2) recognizing Jerusalem as the capital of
14 Israel and transferring the United States Embassy
15 to Jerusalem from Tel Aviv will send a signal of
16 United States commitment and resolve to Israel;

17 (3) the President and the Secretary of State
18 should publicly affirm as a matter of United States
19 policy that Jerusalem must remain the undivided
20 capital of the State of Israel;

21 (4) the President should immediately implement
22 the provisions of the Jerusalem Embassy Act of
23 1995 (Public Law 104–45), as amended by section
24 4 of this Act, and begin the process of relocating the
25 United States Embassy in Israel to Jerusalem; and

1 (1) details the Department of State’s plan to
2 implement this Act;

3 (2) includes estimated dates of completion for
4 each phase of the establishment of the United States
5 Embassy in Jerusalem, including—

6 (A) site identification;

7 (B) land acquisition;

8 (C) architectural, engineering, and con-
9 struction surveys;

10 (D) site preparation; and

11 (E) construction; and

12 (3) includes an estimate of the funding needed
13 to implement this Act, including all costs associated
14 with establishing the United States Embassy in Je-
15 rusalem.
