The Honorable Maria Contreras-Sweet
Administrator
U.S. Small Business Administration
409 3rd Street SW
Washington, D.C. 20416

Dear Administrator Contreras-Sweet:

Approximately one year ago, the Government Accountability Office (GAO) released a report highlighting substantial management challenges at the Small Business Administration.¹ In January, you testified before the Committee on Small Business regarding the report, and you promised that under your leadership the SBA would become a more effective agency.² A recent report by SBA's Office of Inspector General (OIG), however, highlighted SBA's failure to appropriately manage a service contract for executive transportation.³

The OIG found unsupported and duplicative payments of \$6,034⁴ as a result of "weaknesses in SBA's controls over executive car travel."⁵ Further, the report determined that "SBA has not sufficiently justified the size and need for its two executive fleet vehicles."⁶ The vehicles were acquired by your predecessor; however, you continued to include them in your fleet management plan without an appropriate justification.⁷

The Committee has previously conducted oversight of executive travel at executive branch agencies.⁸ The OIG's findings with respect to SBA's executive fleet of vehicles raise similar concerns that your agency may not comply with federal laws and regulations regarding executive transportation.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
