The Honorable Sally Yates
Deputy Attorney General
U.S. Department of Justice
950 Pennsylvania Avenue NW
Washington, D.C. 20530

Thomas R. Kane, Ph.D.
Acting Director
U.S. Bureau of Prisons
320 First Street NW
Washington, D.C. 20534

Dear Deputy Attorney General Yates and Acting Director Kane:

In a letter dated September 28, 2016, the Committee requested basic information regarding the August 18, 2016, announcement by Director Yates that the Bureau of Prisons must phase out the use of privately-operated prisons by either declining to renew contracts with private companies for prison operations or significantly reducing the scope of the contracts.¹ In particular, the letter requested information referring or relating to the BOP and the Department of Justice's decision to close contract facilities and how this change will affect the Criminal Alien Requirement (CAR).²

To date, DOJ has failed to provide a complete response to the Committee's questions and document requests. Indeed, the Department's unwillingness to produce responsive documents and information has stalled the Committee's effort to review the decision to close the contract facilities.

Accordingly, if DOJ does not produce the following documents voluntarily by 5:00 p.m. on November 7, 2016, the Committee will consider the use of compulsory process to obtain documents that will answer our questions:

1. Documents referring or relating to the decline in the criminal alien population.
2. Documents referring or relating to any DOJ guidelines or policies with respect to the role of prosecutorial discretion in criminal alien cases.
3. Documents referring or relating to any independent or outside analysis that led to the decision to phase out and end the use of privately operated prisons.

¹ Letter from Hon. Jason Chaffetz, Chairman, H. Comm. on Oversight and Gov't Reform, to Hon. Sally Yates and Acting Director Kane, U.S. Dept. of Justice (September 28, 2016).

² *Id.*

4. Documents referring or relating to demographic study recommended by the OIG.
5. Documents referring or relating to BOP contract monitoring and evaluation of the differences in the data among prisons, as recommended by the OIG.
6. Documents sufficient to show the population of CAR inmates BOP projects for the next year and the next five years.
7. Documents referring or relating to how ICE will access the criminal detained population for the purposes of removal based on this new policy announcement. Note, we have reached out to DHS on this topic and they indicated the appropriate response would be from your agency.
8. According to information provided to the Committee by BOP, the contract prisons were generally cheaper than BOP facilities. Please provide documents sufficient to show whether this change in policy increases costs for the BOP.
9. Documents referring or relating to aggregate data on border prosecutions to include prosecutions of smuggling, drug cases, illegal entry, and illegal reentry cases for the past five years.

The Committee on Oversight and Government Reform is the principal oversight Committee of the House of Representatives and may at "any time" investigate "any matter" as set forth in House Rule X.

When producing documents to the Committee on Oversight and Government Reform, please deliver production sets to the Majority Staff in Room 2157 of the Rayburn House Office Building. The Committee prefers, if possible, to receive all documents in electronic format. An attachment to this letter provides additional information about responding to the Committees' request.

If you have any questions about this request, please contact Dimple Shah at (202) 225-5074. Thank you for your attention to this matter.

Sincerely,

Jason Chaffetz

You should also produce documents that you have a legal right to obtain, that you have a right to copy or to which you have access, as well as documents that you have placed in the temporary possession, custody, or control of any third party. Requested records, documents, data or information should not be destroyed, modified, removed, transferred or otherwise made inaccessible to the Committee.
2. In the event that any entity, organization or individual denoted in this request has been, or is also known by any other name than that herein denoted, the request shall be read also to include that alternative identification.

8. When you produce documents, you should identify the paragraph in the Committee's schedule to which the documents respond.
9. It shall not be a basis for refusal to produce documents that any other person or entity also possesses non-identical or identical copies of the same documents.
10. If any of the requested information is only reasonably available in machine-readable form (such as on a computer server, hard drive, or computer backup tape), you should consult with the Committee staff to determine the appropriate format in which to produce the information.
11. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.
12. In the event that a document is withheld on the basis of privilege, provide a privilege log containing the following information concerning any such document: (a) the privilege asserted; (b) the type of document; (c) the general subject matter; (d) the date, author and addressee; and (e) the relationship of the author and addressee to each other.
13. If any document responsive to this request was, but no longer is, in your possession, custody, or control, identify the document (stating its date, author, subject and recipients) and explain the circumstances under which the document ceased to be in your possession, custody, or control.
14. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, you are required to produce all documents which would be responsive as if the date or other descriptive detail were correct.
15. Unless otherwise specified, the time period covered by this request is from January 1, 2009 to the present.
16. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data or information, not produced because it has not been located or discovered by the return date, shall be produced immediately upon subsequent location or discovery.

When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
