FY18 Energy and Water Development Appropriations Bill

Manager's Amendment

Offered by Mr. Simpson of Idaho

In the bill:

On page 40, line 6 – strike “185,000,000” and insert “179,000,000” and make corresponding changes to the report.

In the report:

On page 24, in the paragraph titled “Disposition of Completed Projects”, strike “not less than 3” and insert “not less than 7”.

On page 56, before the paragraph titled “Waco Lake, Texas”, insert the following paragraph:

Santa Ana River, California.—The Committee is aware that the planned residential and commercial development project in Rialto, California, may involve

modification of a portion of the Lytle and Cajon Creeks channel improvement project. The Corps is directed to conduct any necessary reviews in an efficient manner, including conducting concurrent, rather than consecutive, reviews to the greatest extent possible.
