

## U.S. Consumer Product Safety Commission (CPSC) 2014 Annual FAIR Act Inventory Summary

As required by Office of Management and Budget (OMB) instructions implementing the FAIR Act, CPSC is publishing a summary of the inventories of its commercial and inherently governmental activities in the OMB specified format. As summarized below, CPSC is designating 3 FTEs as engaged in commercial activities. The majority of our employees are engaged in the inherently governmental public safety function of investigating product hazards and developing hazard reduction solutions.

We have previously contracted for our staff positions that perform mail and driver services, laborer services, reproduction and library services, certain data collection and analysis functions, consumer hotline operations and computer help desk and programming activities. In addition, on an as needed basis, we contract from commercial sources for specialized product testing, technical evaluations, litigation services and audit services. These exiting contractual services are equivalent to over 50 employees.

Our contact person is Barbara Denny, email: [bdenny@cpsc.gov](mailto:bdenny@cpsc.gov). The full inventory may be found at: <http://www.cpsc.gov/en/About-CPSC/Agency-Reports/>
