

Official Listing of USDA-Approved Laboratories
 Export Laboratory Approval Program
 (Last Revised August 11, 2017)

The participants listed below have been evaluated by the United States Department of Agriculture, Agricultural Marketing Service, and have been found to be in conformance with the requirements of USDA, AMS Export Laboratory Approval Program (Export LAP) . This Export LAP is to assure participant laboratories perform validated confirmatory analysis of chemical residues, microorganisms, and parasites in pork, beef and poultry products. Annual approval is valid through December 31, 2017.
