

NEW JERSEY VETERANS' BENEFITS GUIDE

**NEW JERSEY DEPARTMENT OF
MILITARY AND VETERANS AFFAIRS**

Welcome to the New Jersey Veterans Benefits Guide. This guide continues a tradition of providing relevant information to New Jersey's Veterans community.

Keeping you informed is part of the New Jersey Department of Military and Veterans Affairs (NJDMAVA) continuing outreach efforts. Through extensive research and preparation, NJDMAVA has assembled valuable material into this edition of the Veterans Benefits Guide. Many New Jersey Veterans are unaware of the numerous federal and state program benefits, entitlements and services they have earned in defense of this great nation.

Our website at www.nj.gov/military/veterans acts as a portal to assist New Jersey's Veterans in obtaining information they need to access benefits and services more efficiently and effectively.

We encourage you to contact the Department's Veterans Service Officers for additional information and assistance when applying for a program, benefit or entitlement.

"Serving those who served" are more than just our watchwords at NJDMAVA; it is a promise that we will support those, whose service and sacrifice have ensured this nation's survival.

VA ID Card

The Department of Veterans Affairs (VA) provides eligible Veterans with a Veterans Identification Card (VIC) for use at VA medical facilities. The VIC protects the privacy of Veterans' sensitive information, as it no longer displays the social security number or date of birth on the front of the card. Only Veterans who are eligible for VA medical benefits will receive the card.

The card's purpose is for identification and check-in at VA appointments. Veterans should safeguard their VIC similar to other identification cards that contain personal information.

Veterans are warned to keep their VIC safe and secure. Some bar code readers, including those available as cell phone applications, can scan the bar code on the front of the card, and reveal the Veteran's social security number. This could make the Veteran subject to identity theft if the card is lost or stolen.

If the VIC is lost or stolen, Veterans should contact the VA medical facility where they took their picture to request a new card be re-issued. Since the photo is retained, there is no need for the Veteran to go to the VA to retake a picture for the card. Identifying information such as name and other information will be asked to assure proper identification of the caller.

If the Veteran does not receive the card in the 7-10 day time frame, the Veteran should contact the local VA medical facility where the card was requested or call VA at **(877) 222-VETS (8387)**.

The New Jersey Property Tax Exemption/Deduction requires a Veteran to serve during a specific war time period. Any time served after 1975 requires the Veteran to have served at least 14 days in a combat zone (Haiti Operation Uphold Democracy is not approved for tax deduction/exemption purposes).

Disabled Veteran Exemption requires a 100 percent VA Certificate of Disability. The exemption should be permanent and total, partial or temporary is non-qualifying. The property must be owned and occupied by the claimant, and must be their legal residence in this state.

An annual \$250 Veterans Property Tax Deduction requires citizenship, state residency, active wartime service in the U.S. Armed Forces, honorable discharge, property ownership, and the timely completion of an application. If living, the Veteran must own the property in whole or in part to qualify for the deduction. Surviving spouse qualifies if all criteria are met. Eligibility for the deduction is established as of October 1 of the pre-tax year. The application can be filed at the local tax assessors office with appropriate documentation.

Proper documentation is required (DD Form 214, Honorable Discharge Certificate, and VA Disability Award Letter).

NOTE: Individuals whose only active service was for training (basic training, advanced training, officer candidate school, weekend drills, and annual training) in connection with a Reserve or National Guard obligation are not eligible for Veterans' preference.

NOTE: Merchant Marine Personnel who served in World War II, and who present a DD-214 which establishes 90 days of active service during the period noted above, are entitled to Veteran's preference.

PL 2007, Chapter 115, S2430/A3147/A3874, signed on July 18, 2007, changes when proof of veteran status is required for civil service examinations for certain Veterans. Veterans will be able to establish Veteran preference eight days prior to list issuance.

New Jersey values the contributions that our Veterans have made, and continue to make, for our country's freedom and for other nations around the world. As such, New Jersey's merit system provides absolute Veterans preference in employee selection. This means that qualified Veterans are placed at the top of an open competitive employment list ahead of non-Veterans regardless of their scores. Disabled Veterans and Veterans are placed on promotional lists according to their scores, but they have preference over non-Veterans when a disabled Veteran or Veteran is at the top of a certification of the list to an appointing authority.

For information on obtaining Veterans preference on CSC examinations, you must apply to the New Jersey Department of Military and Veterans Affairs, (888) 865-8387 by completing the Civil Service Veterans preference claim form.

New Jersey Civil Service for Pension Purposes

A person is entitled to Veterans preference of Veteran status for pension purposes under the same conditions listed under Veterans Preference; the only exclusion is that Haiti (Operation Uphold Democracy) is not included for pension purposes.

VETERANS' DESIGNATION

To honor Veterans, a special designation has been created for display on their driver's license or non-driver ID card.

On March 1, 2015, in an effort to provide this recognition as quickly as possible, the Motor Vehicle Commission began issuing custom-designed stickers to those Veterans who wish to display them on their driver's licenses or non-driver ID cards. The MVC will notify those Veterans who requested these stickers at a later date when a permanently imprinted Veteran's designation is available.
