This is an unofficial compilation of the radio services and requests for FCC 605 actions that are subject to fees. The public should consult the Commission's Rules as set out in Title 47 of the Code of Federal Regulations (CFR) for application filing requirements. Further information on fees may be obtained in Part 1, Subpart G of the CFR or in the Commission's official decision implementing the Congressional Schedule of Charges. This decision is published in the FCC Record or may be purchased from the Commission's current copy contractor.

The fee amounts contained in this guide are subject to review annually and may result in changes to these amounts. The FCC will issue a notice to reflect any changes.

FEE REQUIREMENTS FOR FCC 605 QUICK-FORM APPLICATION FOR AUTHORIZATION IN THE SHIP, AIRCRAFT, AMATEUR, RESTRICTED AND COMMERCIAL OPERATOR, AND GENERAL MOBILE RADIO SERVICES

The instructions that follow are for filing FCC 605 applications. Determine the radio service and purpose of filing in the information that follows. For information on ULS electronic filing and most current information, visit WTB's website at <http://wireless.fcc.gov/uls> or call (877) 480-3201 (TTY 717-338-2824). To provide quality service, all telephone calls are recorded. Fee information and mailing requirements for electronic filing are also provided on-line when the application is submitted.

If you wish to conduct business with the FCC, you need an FCC Registration number (FRN). This number is mandatory for a filing and used to uniquely identify you in all transactions with the FCC. It is important to have the FRN available when contacting or submitting documents to the FCC. Unless the payer and the applicant are the same person or entity, a separate FRN number must be used for the payer and for the applicant. If you are acting as an agent for an entity, and the remittance (*i.e.*, check or credit card) carries your name as an official designated to pay on behalf of the entity, you must include the entity's name both as payer and application in order to use the same FRN. Failure to provide your FRN will result in your application being returned as unprocessable.

OBTAINING YOUR FCC REGISTRATION NUMBER (FRN)

- Go to www.fcc.gov, click [FCC Registration Number \(FRN\) Commission Registration System \(CORES\)](#) link at the left of the page.
- Check your pre-assigned number at www.fcc.gov, [FCC Registration Number \(FRN\) Commission Registration System \(CORES\)](#) link at the left of the page.

If you are unable to register electronically, you can still submit your application for a Registration Number (FCC 160) directly to U. S. Bank (along with your filing documents and payment). U. S. Bank will register you and you will receive a confirmation letter from the FCC through the U.S. Postal Service mail.

PASSWORD RESET

If you forget your password for your FRN:

- Go to www.fcc.gov and click on the [FCC Registration Number \(FRN\) Commission Registration System \(CORES\)](#) link at the left of the page and then click on UPDATE. This will take you to where you originally registered. Under the block where you are to enter your password, click on [online password reset](#) and the system will walk you through to reset your password.

METHOD OF PAYMENT (DO NOT SEND CASH)

NOTE: The U.S. Treasury will reject Credit Card transactions greater than \$24,999.99. This limit includes multiple transactions on the same Credit Card totaling more than this limit in a single day. For transactions greater than \$24,999.99, an alternative method of payment must be used. Payment methods can be found at <http://www.fcc.gov/fees>. {Reference: Treasury Bulletin No. 2005-03 (<http://www.fms.treas.gov/tfm/vol1/bull.html>).}

- **Online Payment** - Online credit card payments are encouraged. Online credit card payment is an available option when filing electronic application submissions. The Commission will accept Visa, MasterCard, American Express, and Discover credit cards. If you choose this method of combined filing/payment, do not send an FCC 159 to U. S. Bank.
- **Pay Fees** - Individual ULS applicants who have already submitted applications earlier but did not pay while filing can use Pay Fees. Visit <http://wireless.fcc.gov/uls/> and click on **Pay Fees** under the 'Quick Links'. For ULS users who submit a large volume of applications for wireless licenses using [Electronic Batch Filing \(EBF\)](#), Pay Fees enable you to pay your fees online by credit card and submit FCC 159 applications simultaneously. The Commission will accept Visa, MasterCard, American Express, and Discover credit cards. **The applicant must remit payment within 10 calendar days of submitting the application, or the application will be dismissed. Payment received more than ten (10) days after electronic filing of an application on a Bureau/Office electronic filing system (e.g., ULS) will be forfeited (see §§1.934 and 1.1111).**

If you cannot file electronically you may elect to file manually.

- **Mail In Payment** - Applicants can file online and not make a payment immediately and print the FCC 159 provided at the end of the submission. The FCC 159 along with form of payment should then be submitted to Federal Communications Commission, P. O. Box 979097, St. Louis, MO 63197-9000. **Again, the applicant must remit payment within 10 calendar days of submitting the application, or the application will be dismissed. Payment received more than ten (10) days after electronic filing of an application on a Bureau/Office electronic filing system (e.g., ULS) will be forfeited (see §§1.934 and 1.1111).** Payment of application fees may be made by check, bank draft, money order, credit card or wire transfer. Electronic payment is recommended, FCC no longer accepts checks for regulatory fees. **Do not** use checks for payments including both application and regulatory fees, checks are **ONLY** accepted for application fees. If paying by check, bank draft, money order or wire transfer, your remittance must be denominated in U.S. dollars, drawn on a U.S. financial institution and made payable to "FCC." No postdated, altered or third party checks will be accepted. The Commission will accept Visa, MasterCard, American Express, and Discover credit cards.

If paying by wire, applicants located in foreign countries should contact their local bank to determine what U.S. financial institution their bank is affiliated with that will allow a transfer of funds. Please keep in mind that there may be an additional transfer fee added from your bank for this service. If an additional cost is required by your bank, and you have not included additional funds to cover this cost, it will be taken out of the funds that will be transferred. This will result in your remaining transfer amount being insufficient to cover the fee for the filing. Please check with your bank prior to completing this transaction to determine their policy. For further instructions in making payment by wire see our website at <http://www.fcc.gov/fees/wiretran.html>.

Payment of fees, fines, and other debts may also be made by electronic payment. There are two types of electronic payments available. The first type is designed specifically for larger corporations capable of CPU/CPU communication. Under this method, the payer bank wires funds directly to the Commission's lockbox bank. As with cash payments, the funds must be wired from a U.S. financial institution. The second type is designed for smaller businesses and individuals. Under this method, the lockbox bank is given authority to withdraw funds from the customer's bank account. Authorization can be transmitted by a personal computer or by calling a toll-free number. To obtain more information about electronic payment and how it works, please contact the Revenue and Receivables Operations Group at (202) 418-1995. For further information on making payment by electronic transfer see our website at <http://www.fcc.gov/fees/electran.html>.

REMITTANCE ADVICE - FCC 159

Please refer to Part B/C of this guide for specific form requirements. Reproduced forms are acceptable. FCC 159C is a remittance advice continuation sheet that must be used when paying for more than two call signs in a single filing or when paying for multiple applicants in a single filing. DEBT COLLECTION IMPROVEMENT ACT

In accordance with the Debt Collection Improvement Act (DCIA), the Commission will withhold action on applications and other requests for benefits upon discovery that the entity applying for or seeking benefits is delinquent in its non-tax debts owed to the Commission, and dismiss such applications or requests if the delinquent debt is not resolved. The Commission's application fee rules have been amended to state that if payment of the delinquent debt is not made or satisfactory arrangements for payment are not made, we will withhold action on applications and other requests.

FEE EXEMPT APPLICATIONS

Please check the appropriate block on your application and provide the proper documentation, as required, to certify that your application is fee exempt. 47 CFR, Part 1, § 1.1116 of the Commission's rules explains who qualifies as fee exempt.

MANAGING DIRECTOR DECISIONS

Requests for waivers, fee determinations, reconsiderations, applications for review, deferments, and specific refund requests are referred directly to the Office of the Managing Director. Each request is forwarded to the Office of General Counsel for review and legal determination. 47 CFR, Part 1, §§ 1.1115 & 1.1119 govern the Commission's policies in these instances. The requester will receive written notification of the Managing Director's decision. These decisions are published monthly and are placed in FCC Docket 86-285. All such requests must be submitted in writing to:

Managing Director
Federal Communications Commission
445 12th Street, SW, Room 1A625
Washington, DC 20554

WAIVER OF APPLICATION FEE, FEE DETERMINATIONS, AND DEFERRAL OF APPLICATION FEE PROCESS

The required filing fee must be paid for the service requested using the normal process. All requests for waiver of application fee and fee determinations are filed directly with the Managing Director in Washington, DC. If the Commission grants the waiver request or the fee determination results in a lower fee, a refund will be issued. Deferral of application fees are also filed in Washington, DC, and have a limit of up to six months with good cause. Deferrals of fees are considered when the inability to pay the required fee is due to a financial hardship (*i.e.*, bankruptcy), and must be accompanied by supporting documentation.

REFUND PROCESS

The appropriate Bureau/Office handles routine refund requests. When a Bureau/Office determines that a refund is warranted, it is forwarded to the Office of the Managing Director, Revenue and Receivables Operations Group for processing. The Revenue and Receivables Operations Group (RROG) handles all approved refund requests. Once the refund request is approved, the refund process usually takes 7-10 business days. Once a request has been reviewed and processed by RROG, it is forwarded to the U.S. Treasury in San Francisco, California where a check is issued to the payer of the remittance. For further information on return or refund of charges, refer to 47 CFR, Part 1, § 1.1115 of the Commission's rules.
