2012 CBECS District Steam/Hot Water Additional Questions

Service address:

111 Elm St.
Anytown, US, 12345

Please provide the following information for this service address between **November 2011** and **February 2013**.

1. Is the reporting unit billed for the district steam or hot water piped into it?

- Yes
- No
- Don't know

2. Is the reporting unit, itself, a heating plant (i.e., does it contain the equipment used to supply district steam/hot water to other buildings)?

- Yes
- No
- Don't know

3. Does the information reported include deliveries or sales to any other building(s) or unit(s) other than the reporting unit?

- Yes - The information includes substantial deliveries or sales to buildings or units other than the reporting unit, and you were unable to report separately for the reporting unit. **Continue with Question 4**
- No - The information includes deliveries or sales only to the reporting unit (or the reporting unit and minor out-buildings, such as a shed). **Go to End**
- Don't know

4. In your estimation of the consumption reported, what percentage was consumed by the reporting unit?

 %

Go to End. If you can't estimate the percentage, continue with Questions 5 and 6.

5. What is the square footage of the reporting unit?

6. What is the square footage of all the buildings or units on the district loop, including the reporting unit?
