## A BILL

To prevent a fiscal crisis by enacting legislation to balance the Federal budget through reductions of discretionary and mandatory spending.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “One Percent Spending  
5 Reduction Act of 2018”.

6 **SEC. 2. CONGRESSIONAL FINDINGS AND PURPOSE.**

7 (a) FINDINGS.—Congress finds the following:

1           (1) The fiscal crisis faced by the Federal Gov-  
2           ernment demands immediate action.

3           (2) The dramatic growth in spending and debt  
4           in recent years threatens the economic and national  
5           security of the United States:

6                 (A) Federal spending has grown from 18  
7                 percent of gross domestic product in 2001 to  
8                 nearly 21 percent of gross domestic product in  
9                 2017.

10                (B) Total Federal debt exceeds  
11                \$21,300,000,000,000 and is projected to in-  
12                crease each year over the next 10 years.

13                (C) Without action, the Federal Govern-  
14                ment will continue to run massive deficits in the  
15                next decade and total Federal debt will rise to  
16                \$33,800,000,000,000 by 2028.

17                (D) Interest payments on this debt will  
18                soon rise to the point where balancing the  
19                budget as a matter of policy is beyond the reach  
20                of Congress.

21           (3) Absent reform, the growth of Social Secu-  
22           rity, Medicare, Medicaid, and other health-related  
23           spending will overwhelm all other Federal programs  
24           and consume all projected tax revenues.

1 (b) PURPOSE.—The purpose of this Act is to address  
2 the fiscal crisis by—

3 (1) acting quickly to balance the Federal budg-  
4 et and eliminate the parade of deficits and bal-  
5 looning interest payments;

6 (2) achieving balance by reducing spending 1  
7 percent per year until spending equals projected  
8 long-term revenues; and

9 (3) reforming entitlement programs to ensure  
10 long-term fiscal stability and balance.

11 **SEC. 3. ESTABLISHMENT AND ENFORCEMENT OF SPEND-**  
12 **ING CAPS.**

13 (a) OUTLAY CAPS.—The Balanced Budget and

12 sulting in outlays for the fiscal year in progress is enacted
