October 1, 2020

Mr. Chad F. Wolf
Acting Secretary
U.S. Department of Homeland Security
Washington, D.C. 20528

Dear Acting Secretary Wolf:

We write to urge you to immediately release to the public a September 3, 2020, analysis produced by the Department's Office of Intelligence and Analysis. This document demonstrates that a foreign actor is attempting to undermine faith in the U.S. electoral system, particularly vote-by-mail systems, in a manner that is consistent with the rhetoric being used by President Trump, Attorney General Barr, and others.

The document has been marked "Unclassified/For Official Use Only," meaning that its release would not pose a risk to sources and methods and that it has already been widely distributed around the country through unclassified channels. It is now critical and urgent that the American people have access to this document so that they can understand the context of Trump's statements and actions.

Sincerely,

Ron Wyden
