## CHANGES TO REPORT CONTENT AND ADDITIONAL CLARIFICATION NOTES

Effective December 14, 2000 with the enactment of H.R. 5657, Section 105(a) of the Legislative Branch Appropriations Act of 1965 (2 U.S.C. 4108) was amended to compile at a summary level for each office of the Senate authorized to obligate funds, the detail of statements and itemization with the exception of expenditures relating to personnel compensation, travel and transportation of persons, other contractual services, and acquisition of assets. This change affected only sections **B-1-1 to B-1-XXX and B-2-1 to B-2-XXX (Detailed and Summary Statement of Expenditures)**. Under these sections, detailed voucher information is only shown for the type of expenditures mentioned above. Public Law 111-68, Division A, Section 2, required that the report covering the first full semiannual period of the 112<sup>th</sup> Congress be posted on-line in electronic form on the website of the Senate in a searchable, itemized format.

### *Additional Clarifications and Comments:*

1. All cities mentioned are in the Senator's home state unless otherwise indicated.
2. Salaries reported in the payroll abstract are for the period of April 1, 2014 to September 30, 2014 unless otherwise indicated.
3. For appropriation 128 (Section B-2-1 to B-2-XXX), Expenses of Inquiries and Investigations, the payroll abstract for the six month period is reflected as part of the most recent funding resolution (S. Res. 253B).
4. For the Senate National Security Working Group accounts, under appropriation 123, the detailed payroll information for the employees who are designated to the Senate National Security Working Group is shown under the Senator, Committee or Leadership office.
5. Payroll abstracts for the reported six months period may not reflect all payroll adjustments included in the summary of net payroll expenses. Deviations are possible due to the timing of when adjustments are posted.
6. Effective October 1, 2003, with the enactment of P.L. 108-83, Section 10, a Senator from a noncontiguous State may pay a high cost of living allowance to any employee employed in an office of the Senator located in that State. The allowance paid under this section has been included in the amount reported by payee name, but is not reported as part of the net payroll expenses.
7. For security reasons, former payroll names are no longer reflected.
8. P.L. 110-437 established within the Office of the Architect of the Capitol the Office of the Capitol Visitor Center. It transferred the Capitol Guide Service to the Office of the Capitol Visitor Center and established the Office of Accessibility Services in the legislative branch. The Senate Disbursing Office currently provides financial and administrative services to the Office of Accessibility Services.
