REPORT CONTENT AND ADDITIONAL CLARIFICATION NOTES

Pursuant to the Legislative Branch Appropriations Act of 1965, as amended (2 U.S.C. 4108), sections B and C are compiled for each office of the Senate at a summary level with the exception of expenditures relating to personnel compensation, travel and transportation of persons, other contractual services, and acquisition of assets. Further, each semiannual report is posted on-line in electronic form on the website of the Senate in a searchable, itemized format.

Additional Clarifications and Comments:

1. All cities mentioned are in the Senator's home state unless otherwise indicated.
2. Salaries reported in the payroll abstract are for the period of October 1, 2019 through April 30, 2020 unless otherwise indicated.
3. For the Senate National Security Working Group accounts, under the Miscellaneous Items appropriation, the detailed payroll information for the employees who are designated to the Senate National Security Working Group is shown under the Senator, Committee or Leadership office.
4. Payroll abstracts for the reported six month period may not reflect all payroll adjustments included in the summary of net payroll expenses. Deviations are possible due to the timing of posting adjustments.
5. Pursuant to P.L. 108-83, Section 10, a Senator from a noncontiguous State may pay a high cost of living allowance to an employee located in that State. The allowance paid under this section has been included in the amount reported by payee name, but is not reported as part of the summary of net payroll expenses.
6. Pursuant to P.L. 115-244, Senators' offices were allocated an amount for the sole purpose of providing compensation to interns. This allocation is not fungible and cannot be combined with the Senators' Official Personnel and Office Expense Account. This intern compensation allocation is listed directly following each Senator's Account.
