Overview

Congress appropriated funding to reimburse eligible health care providers for health care related expenses or lost revenues attributable to coronavirus. The Health Resources and Services Administration (HRSA) is administering the distribution of payments under the PRF program, funded through appropriations in the Coronavirus Aid, Relief, and Economic Security (CARES) Act (P.L. 116-136) and the Paycheck Protection Program and Health Care Enhancement Act (P.L. 116-139). Each recipient of a payment from the PRF that used any part of that payment agreed to a set of Terms and Conditions (T&Cs) which, among other obligations, require each recipient to submit reports to the Department of Health and Human Services (HHS). The reports shall be in such form, with such content, as specified by the Secretary of HHS in future program instructions directed to all recipients. HHS will be releasing detailed reporting instructions soon be made available. Continue to check the hhs.gov/providerrelief page for the latest updates..

These reporting instructions will provide directions on reporting obligations applicable to any provider that received a payment from the following CARES Act/PRF distributions:

General Distributions:

- Initial Medicare Distribution
- Additional Medicare Distribution
- Medicaid, Dental & CHIP Distribution

Targeted Distributions:

- High Impact Area Distribution
- Rural Distribution
- Skilled Nursing Facilities Distribution
- Indian Health Service Distribution
- Safety Net Hospital Distribution

The reports will allow providers to demonstrate compliance with the T&Cs, including use of funds for allowable purposes, for each PRF payment. HRSA plans to provide recipients with Question and Answer (Q&A) Sessions via Webinar in advance of the submission deadline. Additional details will follow regarding the Q&A Sessions.
