Serial Number

MAINTENANCE REMOVAL NOTIFICATION

As a result of accepting the above equipment, maintenance should be canceled on the equipment below. Offices may want to consult with the vendor for assistance in determining which equipment may no longer be needed. These changes will not become effective until this form is signed by both the vendor and the Member of Congress/Officer and is delivered to First Call. All maintenance adjustments/cancelations will become effective on the CAO time stamp date. **No retroactive cancellations will be accepted.**
