

**AMENDMENT TO RULES COMMITTEE PRINT 116-**

**54**

**OFFERED BY MR. NORCROSS OF NEW JERSEY**

Page 463, strike lines 14 through 18 and insert the following:

1           (1) PRE-APPRENTICESHIP PROGRAM.—The  
2           term “pre-apprenticeship program” means a pro-  
3           gram or set of strategies that—

4                   (A) is designed to prepare individuals to  
5                   enter and succeed in a registered apprenticeship  
6                   program;

7                   (B) is carried out by an eligible entity that  
8                   has a documented partnership with at least 1  
9                   sponsor of a registered apprenticeship program;  
10                  and

11                  (C) includes training (including a cur-  
12                  riculum for the training), aligned with industry  
13                  standards and reviewed and approved annually  
14                  by sponsors of the registered apprenticeships  
15                  within the documented partnership, that will  
16                  prepare individuals by teaching the skills and

- 1 competencies needed to enter one or more reg-
- 2 istered apprenticeship programs.
