OFFERED BY MR. LEVIN OF MICHIGAN**

Page 9, insert after line 18 the following:

1 (21) Numerous studies find that LGBTQ indi-
2 viduals who are also people of color are more likely
3 to experience anti-LGBTQ discrimination than their
4 white peers. LGBTQ people of color are more than
5 twice as likely to report experiencing anti-LGBTQ
6 discrimination when applying for jobs or interacting
7 with police.
