

Congress of the United States

Washington, DC 20515

September 19, 2022

President Joseph R. Biden
The White House
1600 Pennsylvania Avenue, NW
Washington, DC 20500

Dear President Biden,

In a Sept. 18, 2022 episode of “60 Minutes” you stated that “the pandemic is over.” We firmly agree with this statement and request you terminate the national emergency concerning the COVID-19 outbreak declared in Proclamation 9994.

Under the emergency declaration, the federal government is estimated to have spent upwards of \$10 trillion, resulting in an economic crisis, record inflation, and contributing to our nearly \$31 trillion national debt. While Americans continue to deal with the lasting effects of COVID-19, the powers provided to the federal government by Proclamation 9994 are unnecessary.

Thank you in advance for your efforts to terminate the national emergency.

Sincerely,

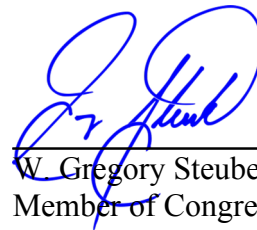

Tim Burchett
