

Congress of the United States  
House of Representatives  
Washington, DC 20515-2201

April 28, 2021

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the projected titled, "Inpatient Behavioral Health Program at McLaren Northern Michigan Cheboygan Campus" in fiscal year 2022.

The entity to receive funding for this project is McLaren Northern Michigan, located at 416 Connable Ave, Petoskey, MI 49970.

The funding would be used to support a 16-bed Adult Inpatient Psychiatric Unit on the McLaren Northern Michigan Cheboygan Campus. Northern Michigan and the Cheboygan area currently lack sufficient health care capacity for addressing mental and behavioral health. With a sound proposal and clear community support, this project helps fill this important need.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jack Bergman  
Member of Congress
