Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for “Skaneec Road Improvements (from Jentoft Road to Town Road)” in fiscal year 2023. The entity to receive funding for this project is Baraga County Road Commission, located at 18139 Hwy US41, PO Box 217, L’Anse, MI 49946.

The request is for funding to improve 13.67 miles of the Skaneec Road, a Rural Major Collector that is federal aid eligible for STBG Program funding under Title 23 (highways) and part of the 110 mile Federal Aid Highway System in Baraga County. The funding will address 13.67 miles of the road in various fair/poor condition state needing improvements to extend the expected service life. Proposed project outcome will provide an asset that can be maintained in a state of good repair consistent with transportation asset management principles and improvements of this highway to modern standards will be a valuable use of taxpayer funds supporting the economic well being of Baraga County.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jack Bergman
