Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Carbon Neutral Ann Arbor Project in fiscal year 2023. The entity to receive funding for this project is the City of Ann Arbor, located at 301 E Huron, Ann Arbor, MI 48107.

The funding will support ensuring seven critical city facilities, including fire stations, water and wastewater treatment plants, and emergency response operations, are able to function every single day, even when the power goes out, by installing onsite renewable energy systems paired with onsite battery storage.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Debbie Dingell
Member of Congress
