Office of Congressman Bill Huizenga United States Service Academy Packet

Applicants should keep the following in mind as they proceed through the United States Service Academy Congressional Nomination application process:

1. Applying to a Service Academy is a two-tiered process. All applicants must first open an application with any and all academies they have an interest in attending. The applicant at the same time needs to apply for a Congressional Nomination through Congressman Huizenga's office.

Each Member of Congress is entitled to fill five vacancies at each Service Academy at a time. When a vacancy is filled, the cadet is then "charged" to the Second Congressional District of Michigan. Congressman Huizenga is allowed to nominate young men and women to a particular Academy when a vacancy occurs in one of these charged slots, either by reason of graduation or withdrawal.

2. For each vacancy, Congressman Huizenga is able to nominate up to ten candidates for admission. One of these nominees will then be offered an appointment to fill the vacancy, chosen at the selection of the Academy. The other nominees, assuming they meet the Academy's minimum requirements, are placed into a nationwide qualified candidate pool. At that point, the remaining slots for the incoming class are allotted at the discretion of the Academy.
3. All correspondence regarding a Service Academy appointment should be addressed to:

**Congressman Bill Huizenga
Attn: Sarah Lisman
P.O. Box 9
Jenison, MI 49429**

4. Applications **MUST** be received in my Grandville District office by **5:00pm November 1, 2021**. If October 31st falls on a weekend, the applications will be due the following Monday by 5:00pm. **Under no circumstances will Congressman Huizenga accept late applications.**
5. The applicant will be contacted regarding an interview with Congressman Huizenga's Academy Advisory Board once the application deadline has passed. Interviews will be scheduled for the first Friday in December.
