April 26, 2021

The Honorable Peter DeFazio
Chair
House Transportation and Infrastructure Committee
Washington, DC 20515

The Honorable Sam Graves
Ranking Member
House Transportation and Infrastructure Committee
Washington, DC 20515

Dear Chair DeFazio and Ranking Member Graves,

As you work to develop and advance surface transportation authorization legislation, I submit a project request to provide \$4.5 million for the Reconstruction of Silver Spring Drive in the city of Glendale, WI from 27th Street in the west to Milwaukee River to the east.

Funds would be used to reconstruct the roadway pavement, improving pedestrian safety and motorist safety. This portion of the road was last reconstructed in 2004 and has deteriorated significantly since then. The roadway is shared between Glendale and the City of Milwaukee and serves as the main route through which residents of Milwaukee and Glendale access Interstate 43. At the same time, more and more people depend on this stretch of road to get to their jobs through the Interstate system.

I certify that neither I nor my immediate family has a financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Gwen Moore".
