The Honorable Peter DeFazio
Chair
House Transportation and Infrastructure Committee
Washington, DC 20515

The Honorable Sam Graves
Ranking Member
House Transportation and Infrastructure Committee
Washington, DC 20515

Dear Chair DeFazio and Ranking Member Graves,

As you work to develop and advance surface transportation authorization legislation, I submit a project request to provide \$4.2 million for the City of Milwaukee Department of Public Works to undertake the full reconstruction of West Vliet Street in Milwaukee between North 12 Street and North 27th Street .

Carrying over 8,000 vehicles per day, the Vliet Street corridor provides a vital east-west link in the City. The roadway is located in a predominately African-American community. The project was evaluated by the Southeastern Wisconsin Regional Planning Commission (SEWRPC) and Wisconsin Department of Transportation a few years ago and scored high for deteriorated pavement condition, ridership, connectivity, and functional classification.

I certify that neither I nor my immediate family has a financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Gwen Moore". The signature is fluid and cursive, with the first name "Gwen" and last name "Moore" clearly distinguishable.
