Congress of the United States
House of Representatives

April 27, 2022

The Honorable Rosa DeLauro
Chair
House Appropriations Committee
Washington, DC 20515

The Honorable Kay Granger
Ranking Member
House Appropriations Committee
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Concordia 27 Consortium Initiative to help build a new comprehensive community center and support the provision of youth and trauma support services. The entity to receive funding for this project is Near West Side Partners, located at 624 N 24th Street, Milwaukee, WI 53233.

In partnership with Advocate Aurora and the Social Development Commission, funding would be used to help build a new comprehensive community center (Concordia 27) at 801-831 North 27th Street in Milwaukee that would provide access to nutritious food, health and wellness education, job training, entrepreneurial space, and housing. Funding would also be used to help plan and implement a youth summit to help youth address the issues of mental health/substance use, poverty, systemic racism, and disparities in our community and to support the Aurora Healing and Advocacy Services counseling program that addresses emotional trauma experienced by adult victims of sexual abuse, and includes individual and group counseling that helps survivors.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Gwen Moore
Member of Congress
