Dear Chairwoman DeLauro and Ranking Member Cole:

I am requesting funding for the construction of a building for the Community Care Clinic of Franklin, Inc.. This project is located in Murphy County, NC and the project sponsor is Community Care Clinic of Franklin, Inc.

The funding would be to grow the clinic and add another location in order to provide access to care for more patients. Community Care Clinic of Franklin will secure the land necessary for construction of clinic but seek additional funding for the construction of the building. They currently operate two evening clinics and one day clinic. Their mission is to provide free primary health care, including education and disease prevention, to low income, uninsured members of our community. Community Care Clinic of Franklin caters to patients with up to 200% of Federal Poverty Level household income who are uninsured or are underinsured with high deductible limited Medicaid coverage.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Madison Cawthorn".
