Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for Emergency Water Infrastructure Needs through the fiscal year 2023 Appropriations bill. The entity to receive funding for this project is the Village of Roberts located at 118 W. Weldon, Roberts, IL. The funding would be used for several water infrastructure expenses to their back-up well which is not functional, their primary well which failed in late 2021, to update their water meters, and make additional upgrades that are immediately needed. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Adam Kinzinger
Member of Congress
