Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Channahon Park District Aquatic Center Renovation through the fiscal year 2023 Appropriations bill. The entity to receive funding for this project is Channahon Park District located at 24856 W. Eames Street, Channahon, IL 60410. The funding would be used for renovating and repairing the Tomahawk Aquatic Center. The most critical issue for the Aquatic Center is water loss. The facility loses more than 20,000 gallons of water each day during the summer due to broken pipes. To repair the pipes a sizable portion of the concrete in the zero-depth entry area must be removed to replace the pipes. Another serious mechanical issue is in the two water heaters. One heater was replaced a few years ago, the second one is the original heater to the facility and requires replacement as it is well beyond its life expectancy. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Adam Kinzinger  
Member of Congress
