Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Pontiac Fire Department Substation through the fiscal year 2023 Appropriations bill. The entity to receive funding for this project is City of Pontiac located at 115 W. Howard St., Pontiac, Illinois 61764. The funding would be used for the construction of a second fire and emergency medical service substation on the west side of the city near the hospital that will enhance the health and safety of the residents of Pontiac and the surrounding communities. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Adam Kinzinger
Member of Congress
