Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for safety improvements for US Route 6 through the fiscal year 2023 Appropriations bill. The entity to receive funding for this project is Will County government located at 302 N Chicago Street, Joliet, Illinois 60432. The purpose of the project is to improve safety for all vehicles and trucks along US Route 6. The area is projected to see an increase in traffic due to varying factors, including the increased number of intermodal campuses off of I-55. This project will mitigate congestion at the intersection of I-55 and I-80, providing a more direct route to the intermodal facilities. This will reduce vehicle miles traveled, decrease vehicle emissions being disbursed into local communities, and minimize the impact of trucks on local roadways. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Adam Kinzinger
Member of Congress
